A message from the Keyworth News owner,

Mark Corbett

The 12th of April is a date that is a high on many people's minds – the pub gardens will be opening up, subject to the go ahead from the Government, and it'll mark the second major step, after the schools opened fully, on the road towards the ending of social restrictions. As much as I'd enjoy a pint down the pub, I am most looking forward to a proper haircut. And for those of you, like me, who have added a few extra pounds, it's good that the gyms will be opening too.

Lucky for us, Keyworth is well provisioned with pubs that have outdoor spaces; we have a great choice of hairdressers and barbers; and our local health club, The Key, will be re-opening its doors. All these local businesses have had an incredibly difficult 12 months so please do support them, now that we have opportunity to do so.

Mark

News from The Friends of Kadzinuni

Transforming a community in Kenya

Moving Forward, Aiming High

UK Registered Charity No. 1098881 – Hon Patron Joana Lumley OBE

**Refurbishment of Kendrick's
Clinic & Community Buildings**

In 2006 we completed the construction of Kendrick's Clinic at Kadzinuni. The facility brought primary care to the village for the first time and the building was brought under the Kenya Ministry of Health (MoH) soon after, meaning that nursing staff and all drugs and medical supplies are provided free of charge to the local community. The MoH have also invested in increasing the range of services and have extended the buildings in recent years. However, their budgets do not stretch to regular re-decoration and minor maintenance. In addition, we funded the building of a library, water storage facility and community meeting room adjacent to the Kendrick's Clinic and Kadzinuni Primary School establishing a vibrant heart to the community which has become the focus for transforming Kadzinuni into an educated, busy, self-sufficient wealth generating community.

Working with our local partners of over 20 years, The Rotary Club of Bahari Mombasa, in January we funded a major internal and external redecoration and refurbishment project including the repair of floors, windows and doors on all the buildings. This ensures that the facilities built over the last 15 years are maintained in good order. Later in 2021 we will be aiming to undertake some roofing replacement, getting the work done before problems arise, we hope!

Nic & Elaine Seller, Founders

When is the best time to sell your house?

People have very different opinions as to when is the best time, but a commonly held belief is that it's always good to market a home at the beginning of spring. There are pros and cons for all different times of the year, but it's also important to take into account your own situation, as well as the housing market.

Spring through to Summer is traditionally the time when houses sell quicker, and the housing market has its busiest months. More people put their home on the market because: -

- The clocks have altered allowing for longer days and extended viewing times
- You have a full spring/summer ahead, giving you a long time on the market to sell
- Flowers are in bloom and gardens look at their best

Then this year we also have the releasing of lockdown and the stamp duty holiday extension.

Just in case you aren't aware, the Government recently announced an extension in the 2020 stamp duty holiday. This means the nil rate is at £500,000 until the end of June and then drops £250,000 until the end of September 2021.

These factors all coming together are the perfect recipe for a busy housing market this year. Therefore, if you are looking to move this summer, getting yourself under offer as soon as possible will give you a head start.

Another question that people ask is "Should I wait until the housing market goes up?"

This is an understandable question because no one wants to feel like they sold their house too cheap. But remember that if your house is going up, so is the house you end up buying. If you are upsizing, then £ for £ your new house will be rising more. Then there are other factors to consider. Do you need to move schools? Are you holding off on a better mortgage deal? Will you miss out on the stamp duty holiday?

It is also worth considering that a busier market means you are more likely to get several people interested in your property. This means there is every chance your property could sell above asking price. Finally, you should never wait for the housing market to go up, as it could go down whilst you are waiting.

Therefore when considering all of the above, if you are ready to move and want to move, then now is the best time to sell.

If you would like to discuss these options in more detail, then our agents would love to speak to you. You can contact us 24/7 by calling 01949 485478.

Congratulations to last months winner

Answers to last month on back page

SPOTY The first winner in 1954 was Chris Chataway. Surnames of subsequent winners, in chronological, but not necessarily consecutive, order, are to be written in sequence clockwise around the perimeter of the grid, starting at the top left hand corner.

Across

- Comedian Mr Wise receives a letter that's serious (7)
- Werner, fine at heart, returns to town (7)
- 6 Deliveries and it's finished (4)
- Chap 10 miles from Cardiff (5)
- Was mendacious part of German song cycle (4)
- A silent transformation is most important (7)
- Eliza's put on coat for theatrical production (7)
- A graduate with enthusiasm, that's awesome (7)
- Spotted economist where timber's cut down (7)
- Trespasser goes the wrong way when found in church (4)
- City's in front, so we're told (5)
- Weapon concealed by life peers (4)
- Stirring gentle note showing lack of TLC (7)
- J R goes to church with something in his mouth (7)

Down

- The French return with wrong-doing to America - dream-like (7)
- Average-sounding expression (4)
- Survive like the 10th man to carry his bat (7)
- Part of the listener involves a murder (7)
- Flower found among safety nets (4)
- Put out very cold back in the early 40s, for example (7)
- Material brought out of the ground the wrong way (5)
- Novice on boat gives dirty look (5)
- As I take ages to return sign of native aggression (7)
- At least nearly half get black and white mixture setting in a big way (7)
- Drink for those for whom the pillion is too uncomfortable (7)
- Injures one million couples (7)
- The woman's a goddess (4)
- Starts to populate energy-rich undeveloped country (4)

Keyworth and District u3a

u3a learn, laugh, live

Whilst our u3a continues limited activities we now have a provisional roadmap from the Government out of the restrictions on our lives. At the same time many of our members, being in the over 50 age group, have received a first vaccination with some having already received a second one. It is all very welcome and provides us with hope for a more 'normal' summer.

Whilst it is still too early to be giving dates for the renewal of our groups' face-to-face gatherings it seems very likely that the first to be able to meet are our outdoor groups such as the walking and cycling groups.

However, we are being told by some members that they will be very reluctant to attend gatherings for some time ahead, which is quite understandable, whilst others cannot wait to meet up with friends again. We will all be faced with personal decisions about our own pathway out of the current restrictions, and it will undoubtedly be some time before we can feel 'normal' again. What is certain is that the current lockdown has hit most, if not all, of us much harder than the earlier ones, maybe because it has happened over the winter period. However, Spring brings brightness back into our lives, warmer weather and, hopefully some cheerfulness and hope based on facts. We do, of course, have great sympathies with anyone who has lost friends and relatives during this period, whether from Covid or other causes, and hope that anyone with an illness makes a quick and full recovery.

Together with almost everyone else we are grateful to everyone who has been working throughout to provide care and as safe an environment as possible. This applies to the NHS as well as all the other key workers in our society.

Our u3a committee is thinking ahead about all these things whilst we await guidance from our umbrella organisation, The Third Age Trust, about how and when we can open up again. We are, locally, in dialogue with the organisations on whose premises we hold our meetings and will be advising our members as and when we have some definite information to impart.

In the meantime, enjoy the colours of the Spring flowers, the longer days and the gradually warming of the days.

Howard Fisher

Chairman, Keyworth & District u3a.

Keyworth Quiz News

Well, not quite news, but at least a message of hope.

Since we postponed the Quarter Finals of the Village Quiz on 15th March 2020, we have been looking forward to getting back together with our teams and regular audience. We have continued writing questions in the hope that we can complete the 2020 Quiz (seeing as we bought the trophies!), run a 2021 version and then get back to normal in January 2022. As soon as we know we can get back together safely we will arrange for the Quiz to restart.

All the best

Paul Turner and John Spafford.

Keyworth Camera Club

*Keyworth
Camera
Club*

The meeting on April 1st is a talk by Steve Walters about the trials and tribulations of being an amateur photographer. Titled "A Light Hearted Wander with my Camera" it promises to be both entertaining and informative.

The following week will see the first leg of our annual battle with Lincoln Camera Club. This is always keenly contested, though Keyworth have managed to prevail recently. The independent judge for this leg will be Lincolnshire-based Richard Houghton.

We have another guest speaker on the 15th - Steve Proctor. Steve's two main interests are photographing People and Wildlife. In this talk he will tell the story of his personal development from owning his first camera to his current level. Many of the images he used to gain his DPAGB and BPE5 accreditation will be included together with some short AV sequences.

The renowned nature photographer, Rene de Heer, makes a welcome return on the 22nd. Rene's work has been widely published in magazines as well as appearing in exhibitions. On this occasion he will show images from his Spring and Autumn trips to Spain and his Winter trips to Finland. The talk is aptly titled "Blowing Hot and Cold"

Our final meeting on the 29th April will be the 6th Internal Competition. The three sections - Colour, Monochrome and "Altered Reality" will be judged by Steve Roper.

All our meetings start at 7.30 and will be run on Zoom. Non-members are welcome and can buy tickets through the Event Booking link on the Home Page of our website: www.keyworthcameraclub.org.uk

From Plastic Free Cotgrave

The Simpler Life Zero Waste Shop here in Keyworth has been awarded 'Plastic Free Community Champion' status by surfers Against Sewage, a national organisation that aims to remove plastics from the environment.

Several groups and businesses in and around Cotgrave are now working towards becoming 'Plastic Free Community Champions' (for businesses) and 'Allies' (for groups, churches etc). They pledge to remove at least 3 items of single-use plastic from their day-to-day activities. The first Champions were Kerry's Fresh fruit and vegetables and the first Allies were the Cotgrave Community Garden.

Plastic Free Cotgrave is working hard to engage local businesses and groups and are delighted that The Simpler Life are now Champions. There is no zero waste shop in Cotgrave, so many residents visit the Keyworth shop as a way to keep down the almost inevitable plastic that consumers find themselves buying in supermarkets.

Zero Waste Shopping – Cut out unnecessary single use plastics

Back in November, members of Plastic Free Cotgrave and their friends joined in with an online event to learn more about 'Zero Waste and How To Do It', introducing Sarah Davey of 'The Simpler Life'. You can watch the video on YouTube: https://www.plasticfreecotgrave.org.uk/zero_waste.htm

Because you take your own (sparkly clean) containers to be refilled, you do not have to pay for packaging and you can buy just the quantity that you need or that suits your budget. No more big packets of foodstuffs sitting around in your cupboard losing their freshness!

Find out more on the Plastic Free Cotgrave website or on their facebook page.

Readers' letters

The last weekend in February gave us all some respite from the pandemic with some glorious spring weather, and many people would have been out walking for exercise and preparing their gardens for Spring. However, Saturday afternoon 27 February someone in Keyworth saw fit to light a bonfire and for several hours the air was tainted with the smell of the smoke over a wide area. Bonfires are not illegal (unless burning commercial waste) but they are anti-social and unpleasant. In some cases bonfires can constitute a statutory nuisance. As a retired environmental health scientist, I can advise that bonfires produce carcinogenic and other poisons including dioxins, in addition to the greenhouse gas carbon dioxide. Furthermore, when we have a high pressure weather system and little wind (as we had 28-29 February), air is descending and therefore bonfire smoke spreads sideways instead of dispersing upwards, compounding the problem.

Bonfires are unnecessary as we have the green bin scheme provided at a modest fee from the Council. However, if you must have a bonfire, please leave it until late in the evening and when there is some wind to disperse the pollution, and avoid periods of high barometric pressure and fine weather.

Royal Air Forces Association

The monthly meeting was held on Thursday, 11th March. The meeting was carried out on Zoom and, after a short delay whilst members and guests 'arrived', Branch Treasurer Andrew Kelleher read the RAFA dedication. He then introduced his daughter, Megan who gave the first of our Zoom talks. Her subject was 'The History of the Commonwealth War Graves Commission'. Her audience consisted of four RAFA members and twenty four guests. Megan produced many interesting facts and figures about an organisation that quietly does an excellent job in honouring this country's and five other countries' war dead. She managed to overcome the many difficulties of giving a talk on Zoom and her efforts were much appreciated by her audience.

After a short break and the departure of the guests, the regular meeting was held. Only two items were discussed. The branch will be represented at the Keyworth Show on Saturday, 3rd July subject to route back to normality continuing as planned. The other item was a progress report on Roger Allton's RAF 500km Challenge. Roger is raising money for the RAF Museum by taking part in this walking/running/cycling challenge. To date he has covered 404Km with a 10km run that very morning and at 86 years of age he is a fantastic example to us all! If you wish to donate to the challenge then here is Roger's 'just giving' page.

<https://www.justgiving.com/fundraising/Roger-Allton-RAFMuseum>

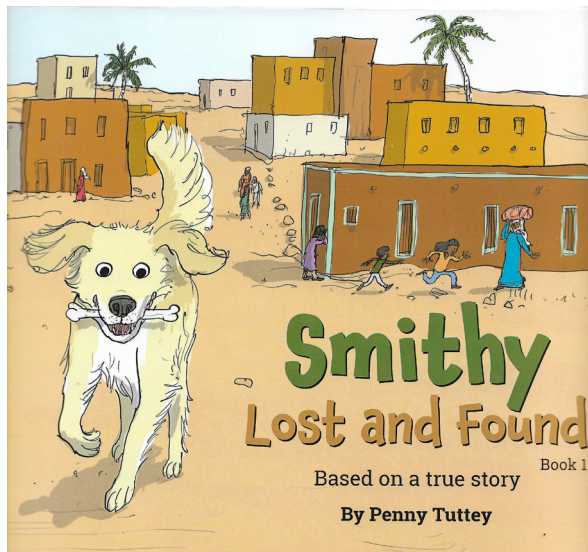

The next meeting will take place on Thursday, 8th April starting at 7:45pm. The talk will be given by John Stansfield and his subject will be 'Incidents from my Logbooks'. He will illustrate thirteen 'happenings' that he has picked out from his many logbooks that cover a 46year flying career. If you wish to see his talk on Zoom, then register your interest by e-mailing Andrew Kelleher on rafakeyworth@gmail.com or John on stansfieldjohn@gmail.com.

John Stansfield

Smithy Lost and Found

by local author Penny Tuttey

Smithy Book 1 is attached in this month's edition. The book is the first of a trilogy based on the true adventures for a dog rescued from the desert in the Middle East.

Available from Amazon

David Ward

It is with sadness we mark the passing of David on 1 February 2021.

David lived in Bunny for his childhood and as of his later life until he and June married in 1970. June joined him in his love of Bunny and its people, so they were never far away.

For many years they served on the PCC, June as secretary and David in various roles.

David was a very talented artist and musician. He chose to concentrate on his painting and as well as exhibiting locally, he also exhibited at the Royal Academy of Arts Summer Exhibition in London. He was also invited several times to exhibit at the Paris Salon.

He always said how lucky he was to have such a happy childhood place he loved.

One of his greatest delights was to keep his 'memory sketch books', recording a lot of his experience.

A kind, modest and gentle man who will be greatly missed by his family and friends.

2 years ago, after his wife June died, David moved to Woodleigh in Keyworth. He was delighted with the move and said it was the best thing he could have done. He made some lovely friends there and enjoyed the time he spent in the village with all the amenities and friendly people. He was able to continue with his drawing and was very content.

Keyworth Based

Keyworth Lives - Lorraine and Chris

Lorraine moved to Avenue Farm in Normanton 19 years ago after a long and successful career in the hotel industry. Since moving to the farm she has developed a passion for sheep breeding and her stables are adorned with rosettes from numerous shows. Some of you may know Avenue Farm from its annual Garden Party, unfortunately cancelled last year. However, I am delighted to announce that, all being well, the event will return this year on Saturday 24th July.

Lorraine lives at the farm with her husband, Chris, from Keyworth. Both had lost their previous partners through illness and following a chance meeting and a blossoming romance, decided to marry two years ago. Chris is a watchmaker by trade, having been trained at jewellers by royal appointment, Mappin and Webb. Since meeting Lorraine, he has embraced the agricultural life and is now the proud owner of a pair of Swiss Blacknosed Valais.

What prompted you to leave the hotel industry and take on the challenges of running a farm?

After 30 years in the hotel, we wanted to retire and wanted a house with some land.

Has living on the farm helped you cope with the lockdowns?

Yes, the lockdown seemed like another world because the sheep keep us so busy.

What inspired you to start the Avenue Farm Garden Party?

We had already decided to hold a charity garden party in 2005 but it had to be cancelled because my husband Gary died from a brain tumour in July. Therefore, I decided to hold a garden party in 2006 but this time the main charity to benefit would be the brain tumour charity and we have held the garden party every year up until last year when of course it had to be cancelled.

What are the hardest and the most rewarding aspects of working on a farm?

We work long hours but enjoy showing the sheep at agricultural shows.

Spring is here!

Secret Gardener

The weather continues to entertain us alternating between cold north winds and extra blustery ones from the west. The cold snap in February though brought good news for the sugar beet farmers as it held back the threat of aphid causing Virus Yellows so no need for an emergency use of neonicotinoids, the bee-destroying insecticide. Hooray!

Watching the weather forecasts and even using beneficial moon aspects to promote successful gardening are both extensions of a most useful gardening superpower – observation.

Taking the time to stand (or sit!) and really see what is happening outside will bring huge benefits to both your garden and you. Noticing what plants are thriving for example or ones that need attention or maybe moving to a more favourable spot and then taking the time to enjoy/nurture/re-home will give you a more fulfilling gardening experience. Giving some newly arrived aphids on your rose a squash before they multiply and run riot saves a lot of time and hassle later. Happily, nature is very forgiving and if things don't quite work out, try again or try something new. Gardening is a lifelong journey of learning, especially in times of changing climate with new circumstances to be faced.

The same principles apply to indoor plants and indeed any animal family members and of course people. Pressing the pause button and taking a long moment to connect to those around us be they family, friends, neighbours, people we meet on a daily basis can, like nature, reveal hidden treasure.

We're Hiring!

IS THIS THE JOB YOU'VE BEEN LOOKING FOR?

We are looking to recruit a talented, creative and enthusiastic individual to join our welcoming team at Copper Salons Ltd!

We are a small friendly salon that has been established for over 50 years with a solid client base which we are looking to expand. We will be hoping to open our doors again on 12th April and are expecting a high demand of bookings of which some are new client interest stemming from our social media profile.

Person Specification

Essential

To meet the requirements of health and safety regarding government guidelines during the COVID 19 pandemic.

Minimum NVQ level 2 in Hairdressing.
Salon floor experience 2 years.

100 Club

The button on the random number generator was pressed by Kelly at Keyworth Post Office on Friday 26 February 2021..The Results were:

1st prize (£100 Voucher)	No 91	No publicity requested
2nd Prize (£50 7 Spice Voucher)	No.54	John Webber
3rd Prize (£25 cash)	No.52	Helen Proll
4th Prize (£10 cash)	No.23	Sheila Barton

The 100 Club raises money for our charity and gives you the chance to win these prizes every month. Each number only costs £2 per month, paid annually. The Club is full and we have a small waiting list, please contact us if you'd like to join it. All number owners have the option of not having their name disclosed.

A big thank you to our prize givers and congratulations to the winners.

During the current crisis our Day Centre and shopping trips and all other activities with our buses have been suspended.

With the Government roadmap now published we are hoping to re-open from the 21st June, subject to any Government and Keyworth Parish Council (for the Day Centre) restrictions making it practical and safe for us to operate.

If you, or you know someone that would like to come and join us at the Day Centre on Tuesdays (from June 22nd), please contact Doreen on 0115 937 4429.

If you would like to book to use our buses from that date please contact us, we have started booking: kdcc.minibus@gmail.com or ring 07881 836 221

Invitation

Keyworth Parish Council

Village Hall, Elm Avenue, Keyworth, NG12 5AN

office@keyworthparishcouncil.org

www.keyworthparishcouncil.org

KEYWORTH ANNUAL PARISH MEETING 2021

Keyworth residents are invited to the Annual Parish Meeting chaired by the Parish Council Chair, Tamsin Armour, by video and audio conference on Monday, 19th April 2021 at 7.00pm.

Please either:

- Visit Keyworth Parish Council's website to get the video conference login details for the meeting, OR
- Phone into the meeting on 0115 678 1258 then enter the Phone Conference ID: 864 703 953#

AGENDA

1. Chairman's welcome
2. Apologies
3. Approval of the minutes of the 2019 Annual Parish Meeting (no meeting was held in 2020)
4. Chair's report on Parish Council activities 2020/21
5. Questions from residents

N.B. To enable Councillors to give considered responses, it would be helpful if questions could be submitted in advance, by letter or email (marked 'Question for Parish Meeting'), to the Parish Council office prior to the 9th of April 2021.

6. Close

KEYWORTH PARISH COUNCIL

Councillors: Tamsin Armour (Chair), Tony Wells (vice-chair). Geoff Baker, Ian Bell, Mary Butler, Tom Caven-Atack, David Clarke, Kevin Fitzgerald, Tony Grice, Samantha Kaye, Chris Kemp, Kev Lowe, Kath Oakley, Shelley Millband, Chris Takel, Matthew Tuttey, Brian Watts.

Clerk to the Council and Finance Officer: Emma Tillyard; **Facilities Manager:** Steve Mottishaw;

Clerical Officers: Helen Bradshaw and Michelle Law. See below for contact details.

Website: Please keep an eye on the Council website for updates, agendas, minutes, and other information: www.keyworthparishcouncil.org

Forthcoming Meetings: 29th March 2021 7:00pm Planning Meeting; 19th April 2021 7:00pm Annual Parish Meeting; 26th April 7:00pm Planning Meeting all by video and audio conference. Please see the council's website for details of forthcoming council meetings, and for details of any changes in this respect: www.keyworthparishcouncil.org/council-calendar. Due to current social distancing requirements, council meetings will be held by video and audio conference. The meeting agenda will be published in the normal way on the 'Council Information' section of the website, under 'Agendas and Minutes', and an invitation to the public to the video conference will be published on the agenda. All meetings held by video and audio conference will be open to the public as normal.

To attend a parish council meeting video conference, please see the agenda for the link to the video conference and audio conference telephone number.

Agendas/minutes: Agendas for meetings normally appear on the Council website a week in advance; draft minutes during the week after the meeting:

www.keyworthparishcouncil.org/minutes-archive

Village Hall complex: Village Hall, Centenary Lounge, Feignies Room. For hire charges, conditions of hire, etc., please contact the Council office (see below) or refer to the website:

www.keyworthparishcouncil.org/village-hall

Other facilities: Wysall Lane Burial Ground, Rectory Field, Nottingham Road Play Area, Platt Lane Skatepark, Keyworth Meadow Nature Reserve, Activity Park.

CONTACT THE PARISH COUNCIL OFFICE:

Parish Council staff are working hard to maintain as normal a service as possible during these trying times. We are currently working from home, as the office remains closed. If you need to see us in person, we are accepting visitors to the office by appointment only. We can also be contacted by letter, telephone, or email. The office is checked daily (except Tuesdays) for phone messages and post. We are responding to emails as normal.

Keyworth Parish Council facilities are still available for hire. Additional COVID measures are in place, and all users must adhere to current COVID guidelines.

Address: Keyworth Parish Council, Village Hall, Elm Avenue, Keyworth, Nottingham, NG12 5AN.

email: office@keyworthparishcouncil.org

Telephone: 0115 937 2185 (answerphone only at present - checked weekdays except Tuesday).

Please note that the Keyworth News is an independent publication, and only the Keyworth Diary and occasional news items are produced by the Parish Council. It follows that the Parish Council is not responsible for items appearing elsewhere in the Keyworth News.

COVID Vaccinations

The vaccination programme is in full swing with the 'JCVI Cohort 6' now able to book their vaccinations.

This includes:

- Anyone between the ages of 16 to 65 with underlying health conditions which put them at a higher risk of serious disease or mortality. This is also known as "clinically vulnerable."
- Anyone who is in receipt of carer's allowance.
- Anyone who is the main carer of an elderly or disabled person, whose welfare may be at risk if the carer falls ill.

Parish Councillor Tony Grice had his vaccination recently and said: "The vaccination centre was quick and efficient. The vaccination itself was painless although my arm was a little sore the next day. It has given me peace of mind. I feel I am doing my bit towards the national vaccination effort which will eventually lead to us getting back to our normal lives. I would urge anyone else to do the same."

If you are eligible under one of the above categories, you can book your Covid-19 vaccination appointment by visiting this booking link:

<https://www.swiftqueue.co.uk/nottinghamc19v-clinv.php>

or call the local booking line on 0115 883 4640 between 8am – 8pm during weekdays and 9am – 5pm on weekends.

Phone box refurbished and defibrillator due to be installed during March.

The K6 telephone box outside the Pear Tree public house has now been refurbished by Alan, the Parish Council's handyman. We are sure you will agree it looks very smart and brightens up this corner of the village.

The defibrillator is due to be installed during March. This will be in addition to defibrillators inside the Village Hall and in the telephone box near the Square.

It will, of course, be free to use by anyone who needs it but if you do ever need it, please remember...

YOU WILL NEED YOUR MOBILE PHONE TO UNLOCK THE DEFIBRILLATOR.

Defibrillators are inside a locked cabinet. You will need to call 999 to get an unlock code before you can use it.

Village Hall refurbished

We are pleased to announce that the Village Hall has been freshly painted and the floor refurbished. As restrictions are lifted, we look forward to welcoming hirers back to use this versatile space.

The bar and kitchen are also available to hire, should you need this facility.

All hire fees have been frozen at 2020-21 rates for 2021-22.

Electric Vehicle Charging

Electric vehicles (EV) owners can now top up on the go, thanks to a new charging point installed by Rushcliffe Borough Council at the Bunny Lane Car Park in Keyworth on the 17th of February 2021.

The new BP Pulse charging point enables EV and hybrid users to quickly charge their vehicles whilst they shop. Anyone can utilise the new facility, including D2N2 or Charge Your Car cardholders, users of the Charge Your Car App, BP Pulse members and guests. The machine also accepts contactless payments to help support efficient top ups.

Rushcliffe Borough Council Deputy Leader Cllr Andy Edyvean said: "We're thrilled to bring public electric charging points to Keyworth and provide the village and surrounding areas with the technology needed to support more environmentally-friendly journeys across our Borough.

"From experience, I know that electric and hybrid vehicles offer a whole host of benefits for the driver, their community and our environment. This infrastructure will help support further residents in making the switch to greener transport."

More electric charging points are planned across the Borough, to help expand on the existing network that already includes facilities at Rushcliffe Arena in West Bridgford, and to help further encourage sustainable travel for drivers.

Councillor John Cottee, Borough Councillor for Keyworth and Wolds said: "It's fantastic to see these developments taking place that will truly enhance the lives of local people and provide nearby residents with further support for sustainable travel.

"I look forward to seeing this new facility used by busy shoppers, visitors and members of our community taking a trip to Keyworth in the months and years ahead."

NEWSBITS

Borough Councillor contact details:

Keyworth Meadow: Please visit the website www.keyworth-meadow.co.uk for further details.

FEELGOOD FILM CLUB: We have been advised that we are unable to restart Film Club until July 2021. The film we will be showing on Monday 26th July will be Military Wives the choir. Due to current restrictions, we will need to know in advance, if you are intending to come along. We can only have a maximum of 20 people so please contact us to reserve seats by no later than Monday 19th July. If we do not get 20 people, we cannot hold the film club as it will not cover costs of hall hire etc. Please contact Hazel on 07816984583 / hazmath58@hotmail.co.uk. or Elaine on 9373336. Details of times etc will be put in the diary nearer the time and obviously this is subject to the government road map not being changed. Thank you all and we hope to see you in July, refreshments will be served.

Please Note: The Parish Council complies the Keyworth News Diary and Newsbits. Items for inclusion should be sent to office@keyworthparishcouncil.org by 12 NOON, of the 10th of each month.

Please help keep this village tidy, clean and safe for all residents.

Please clean up after your dog and take home or place in various bins throughout the village.

Thank you

Who Likes Stories? WE DO!!

March is one of our favourite months because it is World Book Day and we LOVE it! Across school and at home, the children have been celebrating their love of reading and sharing their favourite characters and books with each other.

On World Book Day itself, we had a very special treat for all our KPNS children. Professional storyteller, Mike, filmed some super special stories especially for them, and we filled the day with exciting activities they could do in school and at home. The younger children learnt all about 'The Determined Rooster' and had great fun retelling the story, designing a 'book in a box' and becoming illustrators for the story. Our older children became storytellers themselves. Mike told them a story and they had to finish it, and performing their own endings using their incredible story voices. It was a fantastic day and we can't wait until next year!

writing

Super Science Week!

What better week to welcome all our lovely pupils back to school than Science Week! Every classroom has been full to the brim with amazing ideas, excited chatter and some really fun and interesting experiments. It has been a joy to see and hear!

The children in Y2/3 have had such a fun afternoon of designing robots based on real life insects and thinking about what sort of challenges they could complete based on their strengths as an insect. They had search and rescue beetles, butterflies that alert builders to dangers on building sites and many more!

During the second half of the afternoon they learnt about a range of different inventions such as: the tv, crayons and phones! They then got creative and designed posters for their own inventions! They had inventions that collected plastic from oceans, disguised submarines, talking toys that talk to your dog when they're at home alone! What INCREDIBLE ideas-I think we might have some future inventors amongst us!

In Year 4 the children have been doing a topic named 'Burps, Bottoms and Bile!'- Yes, it is as disgusting as it sounds!! As part of this they have been looking at human teeth. They planned and conducted an experiment to test the effect that different drinks have on the teeth. They used eggshell to represent the teeth and chose milk, water, coke, fresh orange juice, coffee and diet coke as their variables. Over the course of a week they observed what happened to the eggshell and they were quite shocked. We won't give any spoilers because perhaps you can have a go at this experiment yourself at home.

that Slimming World feeling!

Inner Wheel Club A Welcome Sign of Spring

If you have travelled along Wysall Lane recently I hope your spirits will have been lifted by the sight of a carpet of daffodils in front of the Burial Ground. Hundreds of bulbs were bought and planted last autumn by members of the Inner Wheel Club of Keyworth and Ruddington.

An area at the junction of Willow Brook and Widmerpool Lane has also been planted as part of a project to brighten areas around the village.

Children 1st is an award winning family run group of nurseries; we offer great career opportunities in nursery nursing within the highest quality caring environment for our children.

Our day nursery in **Plumtree** is located on Station Road and, with the single storey building having previously been used as a large showroom, it has the benefit of lots of parking. Inside, it has plenty of character, with our large themed rooms that are light and airy, providing lots of space in which our children can play and learn.

An opportunity has arisen for a Qualified Nursery Nurse to join our well established Nursery Team in Plumtree on a Full Time basis, with various working patterns falling between the hours of 7:30 am - 6:00 pm, 5 days a week.

If you:

As a Qualified Nursery Nurse have NNEB, BTEC, NVQ3, EYE, or an equivalent childcare/teaching qualification;

have at least 2 years previous experience with children ages 0-5 years;

possess a Paediatric first aid certificate;

work well as a member of a team and are used to working within the policies and procedures expected within our environment;

provide high standards of care and education as a Qualified Nursery Nurse;

can work flexibly to meet the needs of the children;

can communicate effectively and professionally with children, parents and your team colleagues;

have a working knowledge of the EYFS, planning and assessment systems and;

take an active role ensuring the Safeguarding and Health and Safety of all the children and staff you work with:

Most importantly, you will be an example of love in its truest form, loving these children unconditionally and showing them that the world is, indeed, full of wonderful people as there is simply no other job quite like this one.

If the above sounds like you and if you have the passion and aptitude for working with children please apply to work with us as a Qualified Nursery Nurse.

Please note: Due to the nature of this role the successful applicant must be able to undertake and provide a clear enhanced DBS check and provide references satisfactory to Children 1st.

Please forward your CV to the following email address if you're interested in the role: Southrecruitment.children1st@breedonhouse.co.uk or call us on the following number 0115 9732600 and as to speak to our recruitment team.

Molly Jaqueline Anccliffe (Keyworth Carpets)

I would like to take this opportunity to thank everyone who sent cards and messages of support to me following the recent death of my Mother, Molly.

Many of you will have met and know Molly from her time helping me in my shop, Keyworth Carpets. After my father died in 1995 Mum decided to move to Keyworth and it wasn't long before she was helping me in the shop, "keeps me out of mischief", as she used to put it. She used to enjoy walking around the village and going to the library. You would often see her in her garden which she loved and kept neat and tidy. She enjoyed the friendliness of the Keyworth folk and soon settled in. She helped me in my shop right up to the end, and when I closed it in 2016, at the tender age of 93 she finally stopped working. After leaving school she started working in service in London with her Mum, so almost 80 years of working life and as she also said "hard work never hurt anyone".

In 2017, after a fall, she was diagnosed with Dementia and so began her slow decline. With the help of good neighbours, some excellent carers, Kevin the gardener, Cathy the hairdresser and the Shopping bus to Morrison's she was determined to have as normal life as possible, living in her own bungalow right to the end. Thank you to you all for helping and caring.

She enjoyed the Tuesday lunch club at the Centenary Lounge run by Doreen Gee, with the help of Margaret Egglestone and a team of lovely people and also The Friendship Club on Thursday at the Methodist Chapel, run by Julie Greenwood and Maureen, with the help of their lovely team.

I would like to say a personal thank you to everyone involved in the running of these two organisations, they meant so much to Mum and are a valuable asset to the Keyworth community.

Although she was a very private person, she often used to say how much she enjoyed living in Keyworth, the friendliness of the people reminding her of the wartime spirit of where she grew up in a sleepy village in Kent.

Mum had a fall on December 28th and after a brush with Covid in hospital, worsening Dementia and general frailty she finally passed away on February 15th 2021.

Thank you to you all for helping to make her life happy for the last 25 years.

She will be missed but never forgotten.

Keyworth Tennis Club

Tennis is set to restart in Keyworth from 29th March, but the clubhouse is open only for toilet use and switch-on facility for floodlights. First on court (unless anyone gets up earlier!) will be the retirees group who have booked the courts for 10am. Club nights resume from 30th March on Tuesdays and Fridays from 7pm. Members should use the booking system or contact John Stansfield (07776-432805).

Coaching with Tom Campsall is also set to start shortly.

The club AGM was scheduled to be on 22nd March via zoom. Subscriptions will remain the same with a 50% discount as last year.

Keyworth resident Roy Keegan, aged 15, has been allowed to train on the club courts, with his father and coach, throughout the lockdown period as he is a 'junior elite player'. He has an International Tennis Federation rating of 440 and has had recent international success -

Finalist J5 Singles Islamabad December 2020.

Winner J4 Doubles Kenya January 2021

His future travels will take him to Slovakia, Bulgaria and Russia. We wish him well!

Wild Things

The Hedgehog's Lament

If I trundle through your garden at night
Will I find a 'Hedgehog Highway' to help me pass?
Will you give me access to feed and meet mates?
Will you let me through gaps in fences, walls and under gates?

Is it safe to come and visit?
Have you now gone organic?
Did you put a shoreline in your pond and raise the nets?
Is there a place to call home?
Are there green things, like shrubs, trees and hedges?
Did you invite me as a friend you'll not forget?

Did you know we're fast declining?
Stopped by concrete walls and fences, indirect poison, injury and pining?
Did you know that strimmers, blowers, rakes, hoes, hedgecutters, lawnmowers maim and kill us often outright?

Did you know Keyworth is a Hedgehog Village?
Or that I'm on the national endangered Red List?
Did you know ten of my hog mates died here last year?
Roadkill, illness, dehydration and lack of organic was the reason.
Keyworth, is it time to do more than we appear?

Can you see if you move your shed, there's no way I can tell you I'm in my bed?
If the bulldozer arrives to build a house or make your extension? With territories removed and large scale developments
We're at risk and need highway intervention.

Can you imagine, crisp packets and cans will entice me in?
Plastic bags and disposable masks entwine my skin
Did you know if you drop doggy bags or elastic bands they're threats to me?
And unwashed tins with lids that swing?

Z000 11°C 51°F 21/09/2020 23:39:29 0023

Did you know, if you drive at night or right up to sunrise in the morning
My family and I may be out and about
That 20mph may give us a chance
To avoid the inevitable mourning.

Did you know I can't spot holes and drains,
Building sites, burning flames, bonfire fires,
Smoke and smog inhalation and firework shards?
"Keep Britain Green and Tidy," please observe

Did you know our diet is a special one?
Anatomically we have no caecum.
So we'd love your help
But we can't process foods like humans can.

What we need is a bowl of fresh clean water, we drink a lot
Kitten, or cat biscuits at dusk*
Places to hide and nest, throughout the year,
hedgerow, log piles, maybe a house,
We really yearn this.

So for my Hedgehog friends everywhere,
Still curled for protection in a ball
Give them a reason to wake again, this is the clarion call.
Remember with human care,
We could still be here for many more years.
Please talk to neighbours, make those gaps and help us re-appear.

For more information, follow us on Facebook – fb.me/wildthingskeyworth or email wildthingskeyworth@gmail.com

If you need help to create a gap, you can join the list to have one created for hedgehogs in your Keyworth garden. Concrete based fencing requires a special tool. If you need any advice on how to garden to help our hedgehogs, please also get in touch. Please stop putting out slug pellets as a priority.

We would like to make contact with all hedgehog carers in the village.

Notes on Food:

*Also Hedgehog specific food that doesn't include fruit additions.

WTK recommends Spikes, Brambles, and Petsbits (based in Keyworth)

2425 (Nottingham Airport) Squadron Royal Air Force Air Cadets

Whilst the Squadron met for a few outdoor parades at our airfield home in December 2020, our last face to face parade in our HQ building was a year ago last March.

In any normal 12 months, in addition to our HQ and airfield activities, the cadets of the Squadron would have had the opportunity to spend weekends and weeks away in adventure training camps, overseas and RAF station summer camps. They would have been on numerous daytrips to museums, air shows, walk, canoeing and all manner of other activities. They would have represented the Squadron in athletics, swimming and various other cadet activities. And above all they would have had the opportunity to fly.

After our last face to face parade the Squadron promptly moved to online activities and the staff set themselves the target of giving the cadets the best possible experience and the opportunity to secure the most learning and qualifications that the format would permit.

The two big academic successes of this period have been in cadets passing classification examinations to gain BTEC awards and secondly STEM related awards. The STEM activities also included monthly challenges which involved practical building of models that the cadets had designed to meet the challenges. Possibly the best of these being the challenge to build a 'Mars Lander'. The challenge involved the successful landing of a raw egg, which would be released by the landing vehicle following its successful fall from +2M.

In addition to the staff presentations, the cadets have led on many of the parades and delivered many memorable evening training talks. As the months moved on staff and cadets have taken it in turns to additionally give talks on areas of interest to them. This has provided some of the most eye-opening evenings and we have found out that both cadets and staff on the Squadron have so many interesting other hobbies and experiences.

During the year the Squadron arranged for a number of guests to virtually visit us and were pleased to extend these parades to other Squadrons in the Wing. We learnt sign language from an award-winning teacher, were joined by current and retired service personnel from the Royal Air Force, helicopter pilots, Red Arrows pilot and Royal Marines and were twice visited by retired Chief of the Air Staff, Air Chief Marshal Sir Andrew Pulford, GCB, CBE, ADC.

Not a year that anyone of us would want to repeat and certainly a year which has seen us all 'Adapt, improvise and overcome'.

Fancy having a go? Contact us to find out more about the opportunities open to you with Royal Air Force Air Cadets.

We are recruiting both cadets and adult staff so get in touch!

Activities include Flying, Gliding, Camps, Target Shooting, Sport, Drill, RAF Base Visits, DoF and much more.

The ATC is a youth organisation open to both females and males aged 12 (in year 8) and over.

To join please email adj.2425@aircadets.org

Check out what we have been doing on our Facebook and Instagram accounts.

We look forward to hearing from you.

1st Keyworth Scout Group

Spring has arrived and the cubs have been up to all sorts of activities on zoom thanks to their committed leaders Bayan and Becky. They have been making bird feeders and watching the wildlife in their gardens to help out the little birds and enjoy what is all around them whilst they were spending more time in the house. Also, during the month of March, the cubs made things out of clay. They each collected a block of clay from Akela's (cub leader's) house and then had fun playing rapido with it, after that, they made their pot or sculpture and some cubs even painted theirs!

For Mothers day, they had fun making flower pin badges and a card for their mothers. It was a challenge for some of them as it involved sewing: tying knots in the thread, not losing the thread and fastening off. Nevertheless, they thoroughly enjoyed it, it counted towards their sewing badge and they couldn't wait to give it to their mums! After all this, a youth forum took place where all the cubs gathered their ideas for activities and badges they would like to complete after Easter, so they are all so excited for the virtual movie night, sleep over and games session after they wake up in the morning. Read the next article to find out more about how this event went.

South Notts Shotokan Karate Club

A Year On-Line

The first anniversary of the club's programme of online training was 'celebrated' in mid March. In many ways it's a milestone that perhaps we would rather not have reached but it certainly proves the old adage that where there's a will, there's a way!

This time last year "Zoom" was famous only as a 1980s hit song by Fat Larry and

his band but that changed very quickly. The video conferencing technology of the same name soon became familiar to all as the new alternative to real life as we knew it! The club embraced the opportunities Zoom presented and established a full timetable of four sessions per week which has been delivered throughout the year. During the lockdown a video library of the whole grading syllabus was created by Sensei Alan Lea (pictured below on an online national

training course) and a modified online competition raised much needed funds for a local charity. Complementing the club's activities the Karate Union of Great Britain also provided free national courses with the most senior karate instructors in the country, squad training sessions and online lectures.

So in many ways the club has thrived in the new environment over the last 12 months and adapted to it. Members have played a full part not least with their enthusiasm and positivity which in turn has kept them engaged, physically fit and enhanced their mental well being. It may be that a return to real world training in the dojo (training hall) will happen before the summer and if it does the club will of course be ready to go live!

Adults, young people and children (min 6yrs) who would like to learn karate may do so online at www.snskc.clubz.co.uk. For more information contact the club secretary on 07811 819221.

Thursday 1st April 3pm-5pm

Friday 2nd April 10am -3pm

**From the steps in front of
Keyworth Methodist Church**

This Easter for Messy Church we are giving away bags full of Easter crafts and goodies. There will be a stall on the Methodist Church steps after school on the last day of term (Thursday 1st April) or the Friday between 10am and 3pm. Come along and say hello and collect a bag.

The youth group have been having fun recording a video to go along with the craft activities. There will be Easter challenges to try at home involving boiled eggs also creating Easter pictures by

eating them out of a slice of bread. The link will be available at www.keyworthmethodistchurch.yolasite.com

We know that this Easter will still be a strange one for many as we still won't be able to do all the things that we would usually do. On the first Easter Jesus' friends found new hope and a new purpose as they met the risen Christ. This new hope followed the darkest time in their lives. Our prayer this Easter is that we all might have a new hope for the future.

Kath Oakley

April Recipe

Easter and the traditional Simnel Cake is a must, but remember only 11 balls, which are to represent the 11 faithful disciples – Kath Oakley

Simnel Cake

225g Butter
225g Sugar
350g Self Raising Flour
4 Eggs
A little Milk to mix
50g Chopped Walnuts
700g Mixed Dried Fruit
Apricot Jam
350g Almond Paste

Method

Cream together the butter and sugar until light and fluffy. Stir in the eggs, one by one with a little of the flour, then add the rest of the flour and enough milk to make a dropping consistency. Stir in the walnuts and dried fruit. Pour the mixture into a greased and lined 8 inch cake tin. Bake at 180c/Gas4 for 1 hour, then reduce to 140c/Gas 2 for a further 1 hour. TopTip, I always cover the top of my cakes with a little baking parchment paper to prevent burning. Test with a skewer and when it comes out clean it will be baked. When baked allow to cool then brush the top with Apricot Jam. Roll out the Almond Paste to fit the top of the cake – reserving a little to make into 11 small paste balls which are placed around the edge of the Almond Paste topping, securing with a little Apricot Jam and enjoy!

Barry's Red Leicester, Red Onion And New Potato Pasty

There is the second of the regional recipes. This one is from our next-door neighbour, Leicestershire. The main ingredient of these pasties is the Red Leicester cheese. It is a hard cow's milk cheese made in much the same way as Cheddar but has a moister, crumblier texture and a milder flavour. It is coloured with a vegetable dye called annatto, which gives the cheese its distinctive deep-orange hue. Happy cooking - Barry

Red Leicester, Red Onion And New Potato Pasty

150g Red Leicester cheese, diced
1 red onion, finely chopped
400g new potatoes, cooked and cut into chunks
1 tablespoon chives, finely chopped
2 tablespoons crème fraîche
Salt and freshly ground black pepper

2 eggs, lightly beaten (keep each egg separate)
2 320g sheets of ready-rolled puff pastry
Milk

Method

Preheat the oven to 200°C/Gas 6. Mix the Red Leicester, red onion, potatoes, chives, crème fraîche and one beaten egg together in a bowl and season with a little salt and pepper. Cut each of the pastry sheets into two, down the middle. Divide the mixture into four and spoon it on to one side of each of the pastry rectangles, leaving a space around the edges. Dampen the edges with a little milk and fold the pastry over the filling. Round off the corners of each parcel with a knife, then fold the edges over to make a pasty shape (half moon). Crimp the edges together with a fork. Prick the centre of each pasty with the fork, brush with the remaining beaten egg to glaze. Place on a baking tray and bake in the oven for 30 minutes or until golden. Serve hot or cold. For a hot meal I serve with some baked beans or petits pois peas. A mixed salad works well with a cold pasty. Makes 4

Springing into spring at Belvoir Vale Care Home

What a February we've had! It started off with plenty of snow and ice, and now finally the air is getting warmer, the plants are getting greener, and we're looking forward to some sunshine and being able to spend more time outside.

Even while the weather was still keeping us indoors, we had a lot of fun celebrating Chinese New Year on February 12th. The home was adorned with fabulous Chinese decorations, heavily featuring the colour red to symbolise good luck. The residents really enjoyed seeing them around the home. Throughout the day we listened to Chinese music, and even had a Chinese-themed quiz, which was keenly contested by two very competitive teams!

Valentine's Day was also a hit; we had red rose centrepieces for mealtimes, which we partnered with some bubbles, while we had a fantastic roast dinner. In the afternoon we watched an Elvis impersonator do a very lively show, followed by a big group session discussing wedding day memories, with those gathered sharing stories of their big day and how they met their spouse. We shared many happy memories, and it rounded off Valentine's Day joyously.

Our usual Sunday club has been immensely popular as always. Each Sunday afternoon after a scrumptious Sunday roast with all the trimmings, our residents settle down to enjoy the social club. A relative very generously supplies a bottle of prosecco every week for this event, and this, together with wine and nibbles, is relished over group chats, a good sing-along, a very popular quiz, followed by crosswords and games. We also discuss the topics in the Sunday newspapers – all of which makes for a thought-provoking, inclusive and fun event much enjoyed by all.

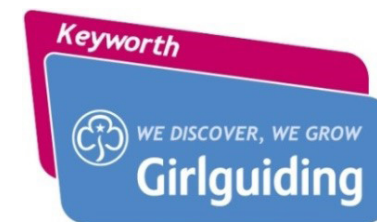

February also saw the first of many activity planning meetings. These meetings involve all of the residents to encourage them to have input into the activities and share ideas about what they want to do next. We have planned lots of exciting things over the next few months, including much more time spent outdoors in the garden and on walks. Roll on springtime!

Girlguiding Midlands Smile! Event

Girlguiding Midlands held a special event with an international flavour to celebrate Thinking Day. Thinking Day is a special day for Girl Guides and Girl Scouts all over the world to think about each other. It's often an opportunity to get together with other units and enjoy activities from other countries.

This year we've not been able to get together in person, but the Smile event has enabled us to celebrate Thinking Day together virtually and have a lot of fun doing international activities. The Smile! challenge encouraged us to:-

- S Sleep somewhere different or in the style of another country
- M Make music or a craft from another country
- I Imagine you are an explorer
- L Learn a dance from another country
- E Experience the food of another country
- ! do a good turn to make someone SMILE!

Girlguiding Midlands arranged a weekend of online sessions to entertain us and help us with the challenges or we could interpret them to suit our circumstances. The challenge was open to all members of Girlguiding and their families, and of course there was a badge! Well done to everyone who completed the challenge.

In taking part we slept in dens or decorated bedrooms with Mexican Peace Flags or tried relaxing with yoga before bed. We made some beautiful butterflies from Mexico and took part in an African drumming workshop. There were some fascinating talks from explorers in the navy, the army and NASA. One family created a lego stop motion film of an adventure, and we imagined an international Guide trip to Italy and France at our Guide meeting. We did some line dancing and learned about the Haka. Many different foods were tried, including Bombay Potatoes and chocolate pizzas taught at online sessions, and a Spanish paella. Good turns included helping out family and friends, sending cards and messages to cheer people up, and making gardens more hedgehog friendly.

On Thinking Day, all the Region joined together for a virtual Promise renewal.

For information about Guiding or if you are interested in helping with a unit, you can contact someone local at keyworthguiding@gmail.com. Alternatively visit www.girlguiding.org.uk/interested or call 0800 1 69 59 01,
