A message from the Keyworth News owner, Mark Corbett

It's turning out to be a beautiful summer. I know some of you will be disappointed with the ongoing travel restrictions, but with the weather like it is now, I for one can live with it. I took the opportunity to visit, with my wife and daughters, both Keyworth gardens that opened their gates for visitors as part of National Open Garden Scheme. Both gardens were stunning. The scheme raises funds for a number of charities and runs throughout the summer. Many more gardens across Nottinghamshire are taking part so do visit <https://ngs.org.uk/> for further details.

Mark

Keyworth and District u3a

July 2021, more than halfway through the year and over eighteen months since the first lockdown. We can all write our memoirs of this time in our lives and then reflect on our personal experiences. In future years others may find our experiences interesting. I think of the positive ways that our u3a has helped maintain the links between us whether via Howards brilliant Newsletter or by our monthly Zoom meetings. Technology has been a godsend.

Our monthly meeting in May was entitled "I didn't know that'. I didn't know the origin of 'Put a sock in it', for example. Apparently in the early days when gramophones had a 'trumpet' to deliver the sound a sock was placed in it to reduce the volume. I also didn't know the origin of 'Blue Blood' when referring to the aristocracy. Apparently in the 8th century when the Moors invaded Spain the Spanish aristocracy did not want their status to be reduced by mixing their blood which would give them a darker skin so to ensure this didn't happen, they kept their bodies covered and out of the sun which ensured their skin stayed very pale. The lack of colour showed up their veins and they appeared to be a deep blue.....Blue Blood!

July's meeting on Tuesday 20th is called "The Climate Crisis---and some solution's".

We are pleased to note that the Walking groups and cycling group can reconvene and that the Wildlife and Conservation group are meeting at Rushcliffe country park (please check the website for details). Other groups that currently meet via zoom include German, Abacus, French, Italian, Computer help and Architecture, Archaeology with history (AAH), again please do check the u3a web site.

We hope you will be able to come and meet us at Keyworth Show on July 3rd when we can chat about what we are and answer any questions. With 500 members and the logo "Learn, Laugh and Live" how can you go wrong?

Sue O'Donoghue.

Keyworth Scouts

Last month, B pack cubs spent a Saturday afternoon channeling their inner 'detectorists', searching for buried treasure with a local metal detecting group. They met on Willowbrook, and sixteen cubs, including some new editions to the group, had a wonderful time, everyone got involved straight away. The local metal detecting group were really good with the cubs and put a lot of trust in the children by allowing them to use their machines. Luckily, a former head teacher was there and he gave a really interesting introduction to the activity. He gave a run down on how the metal detecting machines worked and a little bit of history to add to their knowledge. Plenty of items were found including coins, a silver brooch, a barrel tap and farming items. What variety!

This was a new and unusual experience for scouting and many of the cubs enjoyed it so much they would like their own metal detectors to take it up as a hobby!!!

Keyworth Friendship Club

Are you still lonely?

Since March 2020, many of us have spent far too much time alone. If you would like this year to be different, come and meet some new people, or renew old acquaintances at the Keyworth Friendship Club [RVS].

We are a friendly club offering the chance to get together over a cup of tea and biscuits. We meet in the Centenary Lounge at the Village Hall, on Thursday afternoons at 2 o'clock until 4 o'clock.

Activities vary, but include playing dominoes, cards, scrabble, special events, or just having a chat.

If you would like more information or need help with transport, please phone 0115 937 5080, or drop in and see us any time after July 8th. (Covid rules permitting).

Keyworth Friendship Club [RVS] was started as a Darby & Joan Club in the 1950s and later became Keyworth & Stanton Over Sixties Club.

We would also be delighted to hear from anybody who wishes to volunteer, whether making tea, or greeting or chatting with the members, or generally helping. You would be becoming part of the Royal Voluntary Services.

Helen, Julie, Ron, Adele, Sue, Jackie and Fiona.

For weekly notices-

Thursdays 2-00pm Keyworth Friendship Club [RVS] in the Centenary Lounge.

Join us to chat, play cards, dominoes or scrabble over a cuppa and a biscuit. Come along or contact 01159375080.

C.H.S. Harry Robinson

We have received so many cards and letters of love and sympathy from Harry's many friends. He will be missed by so many and most of all by us, his loving family.

We would like to say a big thank you to everyone for the comforting good wishes.

Janet Robinson and Family

Readers' Letters

Unsung Heroes

Could I please pass on a huge thank you to The Friendship Club Committee and Members.

Throughout the pandemic, they have visited their Members with cards, newsletters and gifts, not just at Christmas and Easter but for Birthdays and when they had something to communicate. What marvellous people they are to still care about their Friends and make time to drop by for a social distanced catch up and show a friendly face. So, on behalf of myself and Mum, Marion Watson, thank you once again.

Diane

An anonymous mention to Mr Singh of Keyworth Pharmacy to thank him and his team for their service. I know of a people who have asked Mr Singh for things they would have normally seen a Doctor for but with face to face appointments not being readily available at the surgery, he was more than happy to offer advice whilst still running a very busy Chemist with reduced staff capacity.

Send your letters to Rachel, editor@keyworthnews.com
or drop a note to Mark and Xinhua at 7A Dale Rd.

Wild Things

Wild Things Keyworth has successfully gained a grant on the 'Severn Trent, Great Big Nature Boost' scheme.

Founder Jennifer Manning-Ohren said: We need to re-establish habitat in the village ideally in the form of native hedgerow, many more trees, dense shrubs, 'wild' areas, wildflowers, log piles, ponds with shorelines and steer clear of the synthetic and chemical. This shift in the garden and public areas, will sustain not only a thriving hedgehog community but will help all wildlife and in turn people, in Keyworth for generations to come."

"We will equip 100 households with essential care packages for hedgehogs and inspire commitment to 'green up.' We will make gaps in barriers like concrete based fencing and add a BHPS Green Plaque that promises to retain gaps for hedgehogs now and in the future."

Helen Purdy from Severn Trent, said: "The Keyworth Hedgehog Highways project is one of 70 applications we are supporting in the region, through our Boost for Biodiversity grant scheme. It's a project we're proud to get behind, because we understand how important it is for communities to live alongside nature better. Linking gardens and giving hedgehogs the space they need, is a winner for us all."

"When we look after nature, we look after water too. That's why we've pledged to revive 5,000 hectares of land, plant over one million trees and help restore 2,000km of rivers. This project will help us reach those green goals."

Keyworth Camera Club

Keyworth
Camera
Club

At long last summer seems to be with us – a chance to get out and take photographs without wearing foul weather gear! There will be a programme of extra mural activities in July and August when members can get together to enjoy each other's company and share experiences.

Looking ahead, the 2021-22 season is being compiled and details will be posted on our website during July. At the moment the plan is for meetings to be held in the Parochial Hall but with the fall-back option of changing them to Zoom if needs be.

If you are interested in photography and would like to improve your skills, joining a Camera Club is one of the best ways to start. You don't have to own an expensive camera because nowadays compact cameras and even smartphones can produce high quality images. At KCC you can be sure of a friendly welcome and for anyone just starting photography we have help sessions to get people off to a solid start.

If the Covid restrictions are eased, meetings will be on Thursday evenings, at 7.45. Our season this year will run from early September to the end of May. The varied programme will include visiting speakers, some in-house speakers, competition evenings, demonstrations and workshops. The venue is the Parochial Church Hall on the corner of Elm Avenue and Selby Lane.

More details and examples of members' work can be found by visiting our website at www.keyworthcameraclub.org.uk

Valued Living

Home Care Services

“Home Care in the Keyworth Area”

We can help you to live independently in the comfort of your own home. Our Health Care Worker will visit you at home to provide the experienced care you need. With kindness and compassion we deliver care packages that are tailored to your needs. Our team is highly trained in infection control. Appropriate PPE (Personal Protective Equipment) is always used to keep our valued clients safe.

We provide care for:

- The frail and elderly.
- People with dementia and Parkinson's.
- Those requiring palliative care.
- Living with diabetes.
- Those with long term illness and disabilities such as multiple sclerosis.

We offer a wide range of support:

Personal support:

- Assistance with getting ready for the day.
- All Personal care.
- Assistance at the end of the day.
- Incontinence management.
- Administration of medication and supervision.

Practical support:

- Preparing and cooking of all meals.
- Assistance with shopping, with or for you.
- Assistance with pet care such as dog walking.
- Assistance with all domestic tasks.
- Accessing the community and social activities.

Valued Living Home Care Services. 3 Elms Court, Bassingfield Lane, Nottingham NG12 2LG

2425 (Nottingham Airport) Squadron Royal Air Force Air Cadets

The Squadron has been present in our local communities in Rushcliffe since its inception in 1965. Starting in Cotgrave, the squadron later moved to Tollerton and then Keyworth, before moving to our current HQ at Nottingham Airport, Tollerton in 1985. The Squadron building has served us well during this time and one can only guess at the thousands of cadets that have passed through the doors of the building in the past 36 years and built lasting memories through the friendships and activities that the Air Cadet organisation has provided to them. The building is starting to show its age though and is nearing the end of its life as the Squadron HQ and by the end of 2021 it will no longer be the home of 2425 Squadron.

Fear not though. Through the support of the Reserve Forces' and Cadets' Associations, Mr Brian Wells and Nottingham Airport, a new location has been found for a brand new HQ build on the Airport site and its construction is already underway. This new building will help to secure the presence of the Squadron in the community and for its youth for many years to come.

After more than a month of face to face parades now and with the bonus of the recent good weather, the varied activities on offer to our cadets are in full swing. We have been continuing with navigation walks and camp training ahead of our upcoming Duke of Edinburgh Bronze expedition later this month, with our Mountain Leader qualified staff.

The cadets continue to enjoy archery at Tollerton with our three archery instructors and flying training on our immersive flight sim system under the tuition of a member of staff who is a commercial airline captain. We have also undertaken classroom training during this period, including a series of first aid training classes to provide our cadets with recognised first aid qualification and begun induction training with our new cadets to equip them for the activities that they might wish to undertake within the organisation. After the last year it's great to be back!

Fancy having a go? Contact us to find out more about the opportunities open to you with Royal Air Force Air Cadets.

Would you like to develop skills, leadership qualities and gain qualifications too? We are recruiting both cadets and adult staff so get in touch!

Activities include Flying, Gliding, Camps, Target Shooting, Sport, Drill, RAF Base Visits, DofE and much more.

The ATC is a youth organisation open to both females and males aged 12 (in year 8) and over, up to a max of 17. Adult staff can join us from aged 20.

To join please email adj.2425@aircadets.org

Check out what we have been doing on our Facebook and Instagram accounts. We look forward to hearing from you.

Missed Appointments

Missed appointments = wasted time for Doctors and Nurses.

In the past two months (March & April 2021) some 1139 appointments were 'missed' by patients throughout the VHG Group practices.

Please could we remind patients to cancel any unwanted appointments 24 hrs before the agreed time.

Village Health Group - Update

It has been just over 12 months since the medical practices of Keyworth and East Leake merged to form the new Village Health Group. During this time there have been many 'behind the scenes' changes to the way the four surgeries operate, in a bid to improve all services to patients.

The combined group now offers the care and advice of over 20 clinical staff. A similar number of administrative/ reception staff are able to deal with day-to-day issues such as; arranging telephone triage, booking nurse appointments and dealing with general patient enquiries.

As part of the enlarged group Practice we now have the additional facility of two Clinical Pharmacists, two Physiotherapists and additional midwifery services - all of these are available to patients via GP referral.

Once the difficulties of the Coronavirus pandemic have been overcome, it is the intention of the practice to revert to 'normal service' including 'face to face' appointments and home visits where needed.

Nonetheless, it is recognised that some patients have benefitted and preferred the availability of online appointments and the phone call appointments system. The way ahead in this digital age may be to incorporate some of these new technologies, including video consultations into the day-to-day operations of the Practice.

EAST LEAKE HEALTH CENTRE — NEW BUILDING CAMPAIGN

Our Local MP Ruth Edwards needs our support in her campaign for a new modern, multi-purpose health and community hub for East Leake. You can help by completing the support form before 11th June on: <https://www.ruthedwards.org.uk/news/east-leake-health-and-community-hub>

KMP Pharmacy - now closed.

Patients that reside in Keyworth should be aware that the KMP Pharmacy ceased trading at the end of April.

This means that if you have previously had regular medication from the KMP Pharmacy, you should now choose and nominate an alternative pharmacy. This can be done via the VHG website, the Systmonline, or through Reception.

These changes do not affect the dispensing of medications from the Keyworth Dispensary to those patients living in the surrounding villages.

Prescription Addresses changed

Patients in Keyworth and District may have noticed that the address shown at the top of all prescriptions is now shown as:

Village Health Group, The Health Centre, Gotham Road, East Leake, Loughborough, LE12 6JG

This change reflects the need that the VHG Group is shown as one dispensing centre for NHS purposes.

NHS Social Prescribing

Social Prescribing is a relatively new service, which is designed to help people address their physical and mental health and general well-being, by connecting them to support within their local community.

GPs and medical practitioners can refer patients to their local prescribing team, after which the patients will have an appointment with a social prescriber who will support them and identify any lifestyle improvements they want to make.

Meet the Rushcliffe Social Prescribing Team (South)

Our main goal is to give you time to tell us what is important for you and your continuing health care. We can support you to access to lots of different things, like: counselling, benefit advice, weight loss services, community groups and other information to help you age well and stay healthy!

We can make referrals to specialist support services or help with information about certain conditions or diagnoses.

We can help you look for volunteering services, we offer one to one goal-based support to help you make the changes in your lifestyle that you want to make - the list is endless!

Talk to your GP or Nurse about using our social prescribing service.

Automatically Enter !

In response to patient suggestions, a new automatic door /entry system has been installed at the East Leake Health Centre.

It's not too late to check !!

Type 2 Diabetes can lead to serious health complications if left untreated.

Finding out your risk only takes a few minutes using the Diabetes UK risk tool.

It could be the most important thing you do today: riskscore.diabetes.org.uk

Park Run for everyone !

The Village Health Group confirms that it has signed up with the Royal College of General Practitioners to be a 'parkrun practice'.

The NHS App

The NHS App has recently been revised to give all patients direct access to their Medical Practice. Using this App on your IOS or Android device, you can :

- see your **COVID-19 status** –view your COVID-19 status for travel.
- order repeat prescriptions** – see your available medicines.
- book appointments** – book & cancel appointments.
- get health advice** – search NHS information and advice.
- view your health record** – securely access your health record.
- view your NHS number** – find your NHS number.

Facebook : You can find more up-to-the moment information from the Facebook pages of the Village Health Group and the Keyworth PPG : <https://www.facebook.com/villagehealthgroup> <https://www.facebook.com/keyworthppg>

Would you like to become a virtual patient ? - you can keep informed on the latest Practice news and receive copies of this Newsletter. If you would like to join the Virtual PPG please email us : VHGPPP@mail.com

Patient Feedback: we welcome helpful comments and suggestions on how we can improve the patient experience at the Village Health Group . Send your feedback to: VHGPPP@mail.com

Keyworth Cricket Club (1815-2021)

Thank you to everyone who has got involved in the club, with a special mention for volunteers, in a year that has seen membership surpass the magical 500 milestone. We remain committed to providing the best quality experience that we can, with low coaching ratios, a local, personable approach, and a fun, friendly and safe social environment that enables everyone in the village to come down and find whatever level of cricket or engagement works for you? Please come and try it!

At the time of writing both our 'First XI's' occupy second position in their respective leagues and are pushing for promotion in an already exciting season in the sunshine. Our Cultural Exchange visitor from Antigua, Essan Warner, ignited our open age first team's fortunes with a blistering knock of 124 not out at Hoveringham CC including a record equalling 14 sixes. During weekdays he is assisting our coaching team delivering 46 hours of sessions at eight local Primary Schools culminating in 14 local school teams participating in the 13th staging of the KCC Schools Cricket Festival at Platt Lane.

Our women are reaping the benefits of coaching from South African born Michaela Kirk, a Loughborough Lightning & Trent Rockets battering allrounder who is looking to reside locally reconnecting with her English roots. Eleven KCC Girls are playing in Under 15 and 13 years age group County matches this season and with the remainder of the squad including five other older, former County age group players, there is plenty of talent for Michaela to work with, and we warmly welcome you and your family, and indeed all new families to our club this season.

We are fielding 5 women's teams in total, with full seasons for the first time for our women's hardball 2nds and 3rds and our soft ball league side, with fantastic performances and brilliant memory making matches coming thick and fast.

Our junior teams have been playing scores of cricket and many of our junior cricketers have been getting plenty of great cricket scores – with 7 teenagers having now made a century for the club in the last 10 years – a feat never achieved in the 195 years prior to that – that has to be a good sign for the future! Half centuries and 5 wicket hauls by young players continue to be racked up a pace. Well done to all of you this applies to, fantastic personal achievements.

Our disability cricket programme has been rewarded with Champion Club status by the ECB, an accolade to all coaches and players involved in the massive progress made in this vital part of our club. Thank you! We are still hoping to move walking cricket forward this year, so please get in touch if you haven't already.

It was good to see many familiar faces on President's Day in a reunion of former Keyworth cricketers in June – we remain fiercely proud of everyone to have ever played for our club.

Abundance - Finding Good Homes for Orphan Plants...

Anyone who is a gardener will probably eventually fall into the same trap. You learn how to grow from seed or from cuttings and you decide you'll grow some extra plants, "just in case". Suddenly you can't move around the garden for plants that you don't have enough room for...

Several members of Keyworth Abundance realised we had an issue with "over propagation" and decided to put it to good use. Taking the Abundance fruit picking model as a guide, we've started to do a plant stall from 10am until 12noon on the 3rd Saturday of the month outside the ExChanging Rooms on the Rectory Field near the Village Hall. The idea is to bring along any plants and seeds that you don't need, and you're welcome to swap them for some of ours or just take away some of ours. Of course, if you don't have anything to bring yourself, that's absolutely fine as we always have plenty to give away. Donations

are welcome but definitely not essential, especially if you've brought something to swap. We're also happy to give advice to new gardeners. Obviously, although we're outside, we hope that anyone who comes along will make sure they abide by any Covid regulations in force at the time.

Of course, our next stall will be at the same time as the Garage Sale Safari, so we hope you'll come to see what plants we have as you go round the other stalls, and maybe have a look at the new Abundance Garden we're creating behind the Exchanging Rooms. By the way, if you want to do your own Garage Sale, and you haven't signed up yet, you can pick up forms from Keyworth Pharmacy or the Post Office or download it by signing up to our Facebook group here -

Keyworth Community Foodbank

On behalf of the Keyworth Community Projects team, I would like to say a very big thank you to St Mary Magdalene Church for allowing us to use the Parochial Hall as a base for our community foodbank facility for over a year. The foodbank has now moved into the Village Hall and we appreciate the support of our Parish Council for allowing us to use their facilities. We would also like to thank the Coop stores in both Keyworth and Ruddington & Morrisons at Gamston for donating ambient foods and goods on a weekly basis, along with the volunteers who continue to donate their time to collect and distribute out to our community. We have, throughout the past year, received many kind donations from our community, Parish and Borough Councillors, local businesses and community groups enabling us to continue the foodbank and our appreciation goes out to everyone who has, and continues to, support us in helping our community during these difficult times.

Shelley Millband, Chair, Keyworth Community Projects

Keyworth and District Community Concern 100 Club

The latest draw was carried out on 28 May 2021 by Mohammed J at Storey's DIY in the Square via random number generator. Results as follows:

1st prize (£100 Voucher)	No.109 Olivia Styles
2nd Prize (£50 7 Spice Voucher)	No. 67 No publicity requested
3rd Prize (£25 cash)	No. 18 Ellen Groves
4th Prize (£10 cash)	No. 46 Robert Clegg

The 100 Club raises money for our charity and gives you the chance to win these prizes every month. Each number only costs £2 per month, paid annually. The Club is full and we have a small waiting list, please contact us on 07976 638851 if you'd like to join it. All number owners have the option of not having their name disclosed.

A big thank you to our prize givers and congratulations to the winners.

Re-opening

Our plans on re-opening the Day Centre and our Bus operations are very dependent on the Government's 14th June decision about removing lockdown.

We hope to restart the Thursday Coffee Mornings and shopping trips on 1st July.

We hope to restart the Day Centre on 6th July.

Please watch our Facebook page (@KeyworthDCC) for updates

If you, or you know someone that would like to come and join us at the Day Centre on Tuesdays, please contact Doreen on 0115 937 4429.

If you would like to book to use our buses please contact us at kdcc.minibus@gmail.com or ring 07881 836 221

KEYWORTH PARISH COUNCIL

Councillors: Tamsin Armour (Chair), Tony Wells (vice-chair). Geoff Baker, Ian Bell, Mary Butler, Tom Caven-Atack, David Clarke, Kevin Fitzgerald, Tony Grice, Samantha Kaye, Chris Kemp, Kev Lowe, Kath Oakley, Shelley Millband, Chris Takel, Matthew Tuttey.

Clerk to the Council and Finance Officer: Emma Tillyard; **Facilities Manager:** Steve Mottishaw;
Clerical Officers: Helen Bradshaw and Michelle Law. See below for contact details.

Website: Please keep an eye on the Council website for updates, agendas, minutes, and other information: www.keyworthparishcouncil.org

Forthcoming Meetings: 12th July 7:30pm Planning Meeting (Centenary Lounge); 26th July 2021 7.00pm Full Council (Village Hall).

Please see the council's website for details of forthcoming council meetings, and for details of any changes in this respect: www.keyworthparishcouncil.org/council-calendar. Due to current social distancing requirements, council meetings are being held following COVID safe measures. Numbers are currently restricted by law, so it is recommended to submit questions to council in advance where possible. Please use the contact details below.

Agendas/minutes: Agendas for meetings are normally published on the Council website a week in advance; draft minutes during the week after the meeting:
www.keyworthparishcouncil.org/minutes-archive

Village Hall complex: Village Hall, Centenary Lounge, Feignies Room. For hire charges, conditions of hire, etc., please contact the Council office (see below) or refer to the website: www.keyworthparishcouncil.org/village-hall

CONTACT THE PARISH COUNCIL OFFICE:

The office is open daily (except Tuesdays) 09.30 to 13.00. Keyworth Parish Council facilities are available for hire. Additional COVID measures are in place, and all users must adhere to current COVID guidelines.

Address: Keyworth Parish Council, Village Hall, Elm Avenue, Keyworth, Nottingham, NG12 5AN.

email: office@keyworthparishcouncil.org

Telephone: 0115 937 2185 (checked weekdays except Tuesday).

Please note that the Keyworth News is an independent publication, and only the Keyworth Diary and occasional news items are produced by the Parish Council. It follows that the Parish Council is not responsible for items appearing elsewhere in the Keyworth News.

Tree Update

The Spring Fare was held on the 22nd of May in the Keyworth Tavern car park which saw another dozen free trees as provided by the Woodland Trust go to new homes. This brings the number to around eighty new trees in and around the local area over the last year. The local tree warden still has a supply of trees to give away free. These include Crab Apple, Common Oak, Maple, Willow, Rowan, and Birch.

The UK is one of the least wooded countries in Europe and every day more woodland is lost. In fact, around six-hundred ancient woods are under threat as you read this. Next year (2022) is the Queens Platinum Jubilee and there is an opportunity for everyone to do something towards reversing tree loss.

The Queen's Green Canopy (QGC) initiative is encouraging everyone to mark The Queen's Platinum Jubilee in 2022 by planting trees. Wherever you are in the UK, you can plant a tree to celebrate The Queen's 70 years of service to the nation. This will create a green legacy of its own, with every tree planted bringing benefits for people, wildlife, and climate, now and for the future. Please follow this link for more information <https://queensgreencanopy.org/> Last week saw the first ever hedgerow event hosted by the Tree Council and funded by Defra. Hedges, homes, and us - where we live, where we relax, where we go to college, school or work, hedgerows do so much for us. They clean pollution from the air we breathe, they capture carbon to tackle climate change, they provide a home for wildlife and pollinating insects which helps our food supply, and they improve our mental health. The webinar explored what research is telling us about hedgerows and their roles in daily life and discussed tips on how we can best care for them in our own gardens. Lead speakers included Principal Horticultural Scientist RHS and Director of Trees, Science and Research, The Tree Council.

CLlr Dave Clarke (Tree Warden)

Keyworth Skatepark Extension – Help Move the Project Forward!

It is time to revitalise and extend the existing skatepark facility at Platt Lane, Keyworth, Nottinghamshire.

The skatepark user community has teamed up with the Parish Council to raise funds towards a skatepark extension which will be designed by the local users in consultation with the successful contractor.

The aim is to revitalise the skatepark to suit the needs of the local skatepark users, whilst considering a range of ages, abilities, and wheels, for example scooters, skateboards, wheelchair motocross WCMX, inline skaters and BMX.

Keyworth parish council has secured £40,000 of funding and needs to raise the remaining £40,000.

KEYWORTH PARISH COUNCIL

We now have a JustGiving page and encourage you to donate towards this wonderful facility – every little helps!

<https://www.justgiving.com/crowdfunding/keyworthskateparkextension>

For potential contractors out there, please visit the government's contracts finder website for more details or contact the office using office@keyworthparishcouncil.org. The closing dates for tender applications is 30th June 2021, the contract start date is 1st August 2021 and the contract end date is 31 March 2022. We look forward to hearing from you!

THE KEYWORTH DIARY – JULY 2021

Please Note: The Parish Council compiles the Keyworth Dairy only. Items for inclusion in the **August 2021** issue should be sent to office@keyworthparishcouncil.org or posted to, Diary Entries, Village Hall, Elm Avenue, Keyworth by **12pm 10th July 2021** **OTHERWISE INSERTION IN THE DIARY CANNOT BE GUARANTEED.** Due to increased number of entries and limited space available, please keep wording to a minimum. It may be necessary to limit entries to a maximum of three lines (approx. 30 words)

Monday 26th **FEELGOOD FILMS** – Doors open at 1.30pm for a 2pm start – Centenary Lounge.
Film: Military Wives. Seating maybe restricted so please book in advance (no walk-ins). To book call Elaine: 9373336 or Hazel 07816984583 or email: hazmath58@hotmail.co.uk

Keyworth Kids

Did you know the 10th July is Teddy Bears' Picnic Day? This day was created based on a song of the same name, "The Teddy Bears' Picnic". The song is written to the tune of a song composed in 1907 by American John W. Bratton. The lyrics were added later, in 1930, by Jimmy Kennedy, a British songwriter.

Teddy's Picnic Maze

Animal Facts: Sun Bear

The sun bear is a species in the family Ursidae occurring in the tropical forests of Southeast Asia. It is the smallest bear,

standing nearly 70 centimetres at the shoulder and weighing 25–65 kilograms. It is stockily built, with large paws, strongly curved claws, small rounded ears and a short snout.

Keyworth Kids Crafts

find 5 paw prints

Make a Cardboard Teddy Bear

You will need:

brown card
cardboard tube
paint, glue and pens

Draw the teddy bear head and 4 paws

Paint the tube brown

Cut out the head and paws and attach them to the cardboard tube.

Send a photo of your makes to editor@keyworthnews.com for a chance to be featured on our Facebook page.

Why do teddy bears never get hungry?

Because they are stuffed.

Stepping into summer at Belvoir Vale Care Home

Hello everybody from us all at Belvoir Vale Care Homes. We hope that you are keeping well and safe? It has been a busy month here with lots of visits from relatives, a really happy "feel good" factor for all. As usual, we've had plenty of varied activities keeping our residents happy and occupied.... Keep fit, karaoke, crosswords, quizzes, choir group, church services, crafts etc... Not least the Sunday Social Club where we get together in the lounge over a glass of wine or a cuppa, followed by our stupendous Sunday roast. A lovely time for relaxing, catching up with news and for any new residents to bond with the rest.

Needless to say, we are all looking forward to the time when 'normal service' is eventually resumed and our minibus can bring our residents to the Keyworth Day Centre (which has always been a popular fixture) together with boat trips from Farndon, Theatre visits, places of interest and social visits. Until then, we're all staying safe and keeping happy and occupied.

Until next time, best wishes from us all and enjoy the beautiful weather.

South Notts Shotokan Karate Club 'In Person' Karate!

The KUGB successfully implemented its return to the dojo yesterday with the first in a series of 'in person' black belt gradings! These carefully planned Covid safe events have been scheduled to take place the length and breadth of the country during June and July. They reward those who have been able to maintain their training throughout the pandemic with an eagerly awaited opportunity to grade in the real world! The grading syllabus has been modified so that examinees do not make contact with each other and remain at all times at an appropriate safe distance.

Amongst the successful candidates in the first of these 'new style' gradings were club members Myles Ponsonby and John Downs who both achieved their goals of passing 5th dan and 2nd dan respectively.

Myles is pictured left alongside other successful 5th and 6th dan examinees. In the foreground from left to right is the grading panel of 8th dans Sensei Jim Brennan, Sensei Frank Brennan and Sensei Billy Higgins!

The club is currently embarked on a phased safe return to 'in person' training at its Keyworth dojo and is accepting absolute beginners as well as experienced returners. Numbers are however strictly limited and a booking system is in place for each class.

Karate is a martial art with the potential to devastate a violent adversary yet at the same time, through disciplined training within an ethos of respect and good manners, inspire its practitioners to achieve great things in all areas of their lives.

Adults, young people and children (min 6yrs) who would like to try karate may contact the club secretary on 07811 819221.

Royal Air Forces Association

The monthly meeting was held on Thursday, 10th June. Once again it was held on Zoom and, unfortunately due to several factors, holidays or illness etc. the attendance was well below normal so it was decided to postpone the talk and also cancel the July meeting. The next meeting therefore will be on Thursday, 12th August. Hopefully by then we will resume our meetings at the Stanton-on-the Wolds Golf Club.

Branch member Roger Allton had some good news. His latest wing walking effort raised £635 and this 'walk' included the pilot carrying out aerobatics whilst Roger was strapped to the upper wing! His fund raising did not stop there, he also took part in the '100 in 24' challenge which was to cycle 100 miles in 24 hours. His family rallied round and bought him a new, much lighter bike, which made a big difference. He actually covered 106 miles, raised £257 and at the age of 86 that is a superb effort!

A recent 'thank you' message was sent to all branches from the Association President, Air Marshal Sir Baz North. He confirmed:

Over 30,000 potentially vulnerable members of the RAF community have been contacted to check their welfare.

Over 4,000 welfare cases have been supported.

Over 6,000 members of the RAF community, due to Covid restrictions, have become lonely and isolated and have now been matched with a friend to talk to through the new 'Connections for Life' service '

If you have a connection, past or present, with the RAF and want to know more details of your local branch then e-mail our Branch Secretary, Andrew Kelleher at:

rafakeyworth@gmail.com

BRANCH & BLOOM

A Monthly Newsletter by Branch & Bloom Gardening

Despite the upset all of us have experienced through the pandemic, there have been some positives to be grateful for. It has given us all the opportunity to slow down and appreciate what and who we have around us. Too often we would be rushing from here to there, from one appointment to another, not giving ourselves time to appreciate what we have on our own doorstep.

This time more than any other, it has brought into focus how important the outside spaces and the natural environment that surround us, are, and how important it is to protect them from harm. Its almost as if the Earth seemed to be saying 'stop' and 'think' what you are doing. Can our demands and expectations keep on evolving and growing at the expense of the world we live in?

The importance of our gardens to wellbeing is widely documented and this is demonstrated by the massive boom in the gardening business. With many of us with more time on our hands and confined to home, this may be what has motivated people to give growing their own a go. There are increased waiting lists for allotments nationally and seed producers have reported a massive rise in sales during lockdown. Not only is it great to learn something new, but there is such a feeling of satisfaction when you proudly present something you have grown yourself from a tiny seed at the dinner table!

Understanding the process of how our food is grown, also makes you think about how the food in our supermarkets is produced and how far it travels to reach us. Seasonal food is far superior in quality compared to the mass produced, forced products, potentially shipped hundreds of miles to satisfy a craving for an inferior strawberry in December. It takes away the enjoyment of eating perfect fruit and veg at the time when it is at its best and looking forward to what the next season may bring to the plate.

In the last few weeks and months we have been busy with negotiations surrounding a community garden project in Keyworth. We have also recently held two plant sales where its been great to meet local people and talk about our plans. We hope that next month we may have some news to share with you on when the project will start and how you can get involved, but in the meantime, do connect with us on social media or by email if you have any questions.

GARDEN JOBS FOR JULY

- Cut back early summer perennials such as geraniums for a second flush of flowers.
- Sow biennials such as foxgloves, sweet william, sweet rocket and wallflowers for blooms next year.
- Keep feeding, watering and deadheading summer bedding to enhance their show.
- Cut lavender for drying and hang up in a cool, dark place
- Continue pinching out side shoots of cordon tomatoes and tie in to supports. Water daily to prevent drying out, which can lead to split fruits and blossom end rot.
- Feed tomatoes, chillies and cucumbers with tomato fertiliser every week to encourage fruiting.
- Feed houseplants weekly until autumn to keep them in peak condition, giving them a day out in a summer rain shower to wash any dust off the leaves.

what to look out for this month....

Peregrine falcons, aka the fastest animal in the world, are filmed nesting on the NTU Newton Building each year. In July the juveniles will be practising their flying skills watched by their parents who are still feeding them.

In 2017 our grass snakes were renamed 'barred grass snakes' to distinguish them from European counterparts. You may see one in July swimming across a pond or canal, hunting for small fish & amphibians with its head raised like a periscope. Females can reach lengths of 1 metre.

Cinnabar moths start life as black & yellow striped caterpillars that are often seen on poisonous yellow ragwort, a valuable food for many insects. Their feasting builds up the poison in their brightly coloured bodies that warns predators of the consequences of making them a meal.

Our most common owl, the tawny owl, is famous for its 'twit twoo' call, but it's actually the female that calls 'twit' & the males that call 'twoo'! In June & July they are silent, starting to call again in August.

The little wren is a commonly seen, vocal & brave visitor to our gardens, easily identifiable by its small stature and upright tail. At tocm long they are the second smallest UK bird after the goldcrest.

And it's Goodbye from Him and Goodbye from Him!

Not the two Ronnies, but Andy and Simon who have worked together for the last eight years in local Methodist Churches, our village, and schools. Many children and young people will be sad to see them leave as well as a host of adults who have worked and worshipped with them both.

For 17 years Andy Proffitt has worked with all ages of young people from toddlers to young adults. Activities including School Assemblies, After School Clubs, lessons in preparation for changing schools, Easter Time Travelling, Summer Holiday Clubs, Sole Survivor Expeditions, weekends away at Stathern, Messy Church, Christingle and Good Friday Workshops have all been led by Andy and enjoyed by all! He has led a large team of volunteers from all the Churches and taken a leading role in the Keyworth Churches Children and Young People's Committee. Those children who attended Holiday Club will remember Andy and Simon in many guises!!

Simon has also led the Methodist Congregation, introducing changes slowly and sensitively to bring us into the 21st century! Many will remember his worship and thoughtful preaching and his warm and sensitive conduct of funeral and thanksgiving services. When daughter Alice arrived, she became part of the preaching style, followed by son Isaac!

It has been lovely to watch Andy and Simon's families grow. We are grateful for all that they have brought into our village, church and schools. We wish Andy, Harriet, William, Samuel and Grace, and Simon, Sarah, Alice and Isaac, all the very best in their new situations. May God bless you all.

June Curtis and Geoffrey Daft – The Methodist Church

Christian Aid Week

Due to Covid volunteers were unable to go door to door to collect the envelopes so new ways of collecting the desperately needed donations had to be used – hence the first time for delivery only of envelopes and using shops and private homes as drop off points, the first time for a C A table and bucket outside shops and the first time for our own local just giving page www.justgiving.com/fundraising/keyworthanddistrictcaw

It has all been a huge learning curve for the organisers! (Any ideas/comments are gratefully received.) However, the good news is that thanks to all donors and volunteers the fantastic sum of £3,452.89 has been raised plus approximately £468 in gift aid.

Your support has given people like Rose who was featured on the CAW envelope, the hope that they can stand strong against the elements. "Water is life. When it is readily available the peace of mind people have, especially women, is beyond explanation."
THANK YOU!

Keyworth Lives – Richard and Sue Bailey

Richard and Sue moved to Keyworth around seven years ago, leaving their home of many years in south-east London where they raised their two children. Richard had recently retired from his job as an electrician and both were looking for a more peaceful and less crowded place to live. Richard's brother (a notable crossword setter for a similarly notable local magazine) already lived in the village and after a search that included homes across the East and West Midlands, they decided that one they viewed here in Keyworth was ideal.

Not long after they moved, they joined Keyworth Bowls Club and have thoroughly enjoyed the both the tactical challenges of game, as well as the social side ever since. They have been very active in leading the club, in fact, Richard now captains the men's team and Sue is captain of the ladies! The club plays competitively across parts of Nottinghamshire and more recently, north Leicestershire, but there's still plenty of time for friendly games too. New members are always welcome, and after meeting Richard and Sue, I can guarantee you will receive a warm welcome.

In case you have never visited Keyworth Bowls Club, it is located right in the centre of the village, by the Village Hall. In spite of its central location, it feels like a very secluded spot, and the grounds are very well looked after. One of the aspects of bowls I've always admired is the break for tea. Any sport that involves sitting down with your opposing team for tea, sandwiches and a chat has to be lauded.

You can visit the Club's Facebook page @KeyworthBowlsClub or contact Richard and Sue by phone 07944682607 or 01159983533 or by email rjb48@hotmail.com.

KEYWORTH ARCHERS

Keyworth Archers are back in business! We resumed regular shooting at the beginning of April, after what seemed like an eternity. There were short spells between lockdowns in the summer and autumn when we had a chance to do some socially distanced archery outdoors in Keyworth, then for a few weeks indoors at Asfordby. Numbers had to be restricted, but everyone who wanted to come and take part was able to do so. We're hoping that this summer will allow us to make up for lost time, bring in some new members, and maybe even take part in a competition or two. A break from archery can be challenging. You can practice at home, but no arrows can be used away from the range. There's no substitute for the real thing, and many of us have lost some of the strength in shoulders and back that comes with regular archery practice. A couple more months of good weather should put that right for those that come along every week.

Building work at our usual home at Platt Lane in Keyworth means that we've had to relocate temporarily for the summer. Fortunately, we were able to book some time at the East Leake playing fields, between Costock and East Leake. It's an ideal venue for archery, and so far the weather has been kind to us. We're hoping we'll be able to return to our indoor venue at the South Wolds Academy at the end of September. Unfortunately, you won't be seeing us at any events this year - we'd like to have been able to attend the Keyworth Show, the Cotgrave Festival, and other events, but at the moment we're not allowed to take part, even where events are going ahead. We're looking forward to getting back on the road and running some have-a-go sessions at various events in 2022.

As part of our plan for boosting membership and increasing participation in the sport, we're running back-to-back beginner's courses throughout the summer. Our courses consist of four two-hour sessions and provide a complete introduction to target archery. We cover safety, equipment, shooting technique, and how to score a round so that you can take part in a competition. All the equipment you need is provided, and at the end of the course you'll receive a certificate which allows you to join any Archery GB affiliated club. Courses are suitable for anyone over 10 years of age, and we do our best to accommodate people with disabilities.

The May course is over, and the June course nearing completion by the time this issue goes to print. If you'd like to sign up for our July archery course, visit our website at <https://www.keywortharchers.co.uk/courses/>

Looking After Ourselves.

During the month of May we had an extra special focus on looking after ourselves by taking part in 'Mindfulness May' and by having a focus on Mental Health Awareness Week. The School Council led the way and made a wonderful activities calendar for the month of May and children across school enjoyed taking part in them. They have taken part in meditation, yoga, talking about what they're thankful for, positives from the day, mindfulness drawing and much more! They have learnt how to enjoy the silence and how to calm their minds down.

We know that looking after ourselves is so important all the time not just in May, so we aim to continue to use some of our mindfulness strategies as part of our everyday school life.

Y6- Soaring on the Soar!

Whilst on residential at Beaumanor Hall, the Year 6 children ventured on the River Soar, which was an amazing and a very wet experience. Wellies and waterproofs were of no use with the cascading waterfall and the splashing girls but so much fun was had by all!

From fun to fear, the next challenge was the HIGH ROPES! From the ground, it looked easy. From the sky things changed. The challenge was on- who dares go first? The children were all amazing and helped each other overcome nerves and fear. The platform wobbled, the children dangled, and the ropes swung wildly, yet everyone felt a sense of achievement. For the staff who enjoyed the visit with the children, it was a true pleasure for them to see how much each and every child has grown in confidence during their time at KPNS (whether they have been with us for 7years or just a few months). Year 6, you are now *'unlocking your own potential'* and we couldn't be prouder!

Our Allotments...

As part of their topic 'Sow, Grow, Farm' the children in Y5 have become green fingered! They have been learning all about growing fruits and vegetables and have planted their own in the hope they will be able to donate their home-grown produce to the Keyworth Food Bank in the Autumn term. The plants have been growing SO fast that the class have been filming time lapses to literally watch them grow- it's been AMAZING! (Check out the 'Roses Blog' on our website to see for yourself). A special thank you to our friends at the Keyworth Gardening Association who have been answering our questions and giving us top gardening advice virtually, we couldn't have done it without you.

3rd Keyworth Guides' 18th Birthday

Our first meeting this half term was very special as we were marking 18 years since 3rd Keyworth Guides re-opened.

At our 18th birthday virtual meeting, the Guides made Piñata cakes or 'surprise middle' cakes and icing to top them. They decorated them and put a candle on top. Photos of the cakes were turned into a birthday message to send to the whole unit. The cakes were clearly delicious!

Back in 2003 there were three Guide units in Keyworth District (1st, 4th and Tollerton), but there was a long waiting list of girls wishing to join, so on 10th June 2003 3rd Keyworth Guides re-opened with 14 girls. It's amazing to think that our current Guides weren't even born then.

Eighteen years on we have 24 Guides in the unit and have given over 150 girls a Guiding experience. We have held 37 camps, 26 sleepovers, three narrowboat weekends, four Guides have helped sail the Tall Ship Stavros and six of our Guides have been on International Guiding trips. In addition we have taken part in a couple of 'Stay at home' camps over the last year. That's an average of over four residentials a year.

Sadly, we are now the only Guide Unit In the area as the other Guide units in Keyworth, Tollerton and Kinoulton have all closed due to lack of leaders. We've had a lot of fun with 3rd Keyworth Guides. If you would like the same, why not consider re-opening one of the other units or help with Brownies or Rainbows?

For information about Guiding or if you are interested in helping with a unit, you can contact someone local at keyworthguiding@gmail.com. Alternatively

visit www.girlguiding.org.uk/interested or call 0800 1 69 59 01.

A BIG PROJECT COMPLETED!

For the last eight years the Tennis Club has taken on the responsibility for the maintenance and upkeep of the courts and clubhouse. This task used to be the responsibility of the Keyworth Parish Council in conjunction with the Keyworth Playing Fields Association but, on signing a twenty year lease, it was transferred to Club Management Committee.

Major projects, such as court resurfacing, have been financed through club subscriptions and grants from various sources. To keep on top of smaller tasks, the club instigated two 'Maintenance Weekends' per year normally held in spring and autumn. Volunteer members give their time to complete a list of jobs such as painting, cleaning and weeding court surrounds.

Replacing the decaying anchor planks for the chain link fencing was a major task but a small cohort of members decided that they were up to the job. New wooden planks were obtained, were varnished and installed saving the club a substantial financial outlay. The Management Committee has given a 'Big Thanks' to all involved.

Tie break heartache for Keyworth!

Keyworth mixed 1st team encountered a strong Newark team on Sunday 6th June. 3 pairs faced the north Notts team. Each rubber consisted of 2 sets with tie breaks (first to 7 points) at 5 games all. In all there were 5 tie break sets and Keyworth missed out on each one resulting in a 11-7 defeat. Well done to Sam Jones and Sandy Drummond though, who managed to take 5 out of 6 sets. All games were extremely close and it took 4 hours to complete the match!

It followed a more successful trip to David Lloyd West Bridgford 2 weeks prior where Keyworth had a resounding 17-1 victory on the less familiar territory - artificial grass courts (see photo). This surface can prove tricky, making the speed of play faster as balls don't bounce as high or slow as on Keyworth's hard courts. The win was made all the better with a delicious curry and chips tea supplied by the home team!

The mixed 2nds, meanwhile, had one of those matches where the final score (12-0 to Ravenshead 1st team) just didn't reflect the flow of play, with a few sets going to 5-7.

A few club members have been watching some top players in action at the Nottingham Open. A very different feel to the usual bustling tournament full of stalls and activities alongside the tennis, but still fantastic to see some top players from around the world taking part on the grass courts.

Bench unveiling honours Tony Axford

A brief ceremony was held early in June, watched by many club past and present players.

A bench, dedicated to the memory of Tony Axford, was unveiled by his widow Sally. Sally was accompanied by her daughter, Debbie and her granddaughter, Amy and Amy's husband, Adam (see photo).

Tony, who died in 2020, was one of six enthusiasts who founded the club in January 1965. He spent many years as a player, committee member and chairman, making a speciality of fund-raising for the club. Current members now enjoy excellent facilities due to his amazing efforts.

The club tournament is set to take place this year again, with Finals day scheduled for 5th September.

And remember tennis at Keyworth is really good value, with memberships for the year at £60 (adults), £25 (10-18 yr olds) and £10 (under 10 yr olds). That's half-price! If you join as a couple or family, it's even better value!

Social tennis club nights are on Tuesdays and Thursdays from 7pm.

Keyworth Show 3rd July.

The club will have a pitch there, with a Minis court set up for children to have a go at tennis.

For coaching information, see [Keyworth & District Lawn Tennis Club / Home \(lta.org.uk\)](http://Keyworth & District Lawn Tennis Club / Home (lta.org.uk))

If the event has to be cancelled due to Covid a full refund will be given.

Keyworth and District Local History Society (K&DLHS)

<http://www.keyworthhistory.org.uk>

<https://www.facebook.com/KeyworthHistory/>

Keyworth and District Local History Society aim to provide a friendly and welcoming environment to develop interest in history and heritage of Keyworth and neighbouring parishes. K&DLHS also publish books, pamphlets and maintains an archive of items relevant to the local area. It also participates in local history events in the wider context of Nottinghamshire and the East Midlands in addition to the monthly instructive and entertaining talks and presentations.

The monthly society meetings had been held on the first Friday of the month (except in August) in the Keyworth Village Hall's Centenary Lounge at 7.30pm.

It is sometime since our last meeting and the COVID situation is being monitored closely. When it is deemed safe enough to start to hold meetings again, we shall aim to do so. Unfortunately, at the present moment the number of cases locally are once again on the increase.

The annual Heritage Open Day 2021 (now a full week) will take place from 10th to 19th September. We do intend to be part of the week's HOD events. More information on this soon.

Keyworth and Ruddington Inner Wheel

One of the main aims of the Inner Wheel of Keyworth and Ruddington is to foster friendship and aid internationally as well as in Great Britain. One of the ways of doing so is to provide 'Baby Bundles' to women in parts of Africa who are having babies. The bundles contain items such as blankets, nappies, a flannel and soap, a soft toy and a selection of clothes, baby vests and sleep suits. As the bundles are given out at ante natal clinics, they provide an incentive for women to attend a clinic before giving birth.

When circumstances allow, we aim to make up approximately 50 bundles at each of the 2 or 3 sessions we hold each year. The bundles are collected and delivered by the National Police Aid Charity.

Barry's Recipe

July is the month when in our house we look forward to the start of the Summer Fruit season. We certainly take advantage of the local Pick-Your-Own strawberry fruit farms. The one nearest to us also has gooseberries as well as black, red and white currants – we always weaken and pick more than we intend to! One summer fruit we don't seem to see around here is the Cherry. The UK capital for the English Cherry is Kent, the 'Garden of England', and the Cherry season runs from late June to early August. Happy cooking – Barry.

White Chocolate & Cherry Loaf

For the cake

225g butter, softened

225g caster sugar

4 eggs, beaten

2 teaspoons vanilla extract

225g self-raising flour, sifted, plus extra for dusting

375g fresh cherries, pitted

175g white chocolate, chopped into small chunks

For the frosting

100g white chocolate, broken into small pieces

140g mascarpone

grated white chocolate and fresh cherries, to decorate

Preheat oven to 180C/Gas 4. Line a 1kg loaf tin with baking parchment, making sure the paper comes up higher than the sides. Beat the butter and sugar together until fluffy, then add the eggs, a little at a time, along with the vanilla extract. Fold in the flour until you have a smooth mixture. Dust the cherries in a little flour, then carefully stir half of the fruit and chocolate into the mixture. Spoon into the prepared tin, then scatter the remaining cherries and chocolate on top, pressing them in lightly. Bake for 1 hour 10 minutes or until a skewer inserted into the middle comes out clean. Make sure you don't mistake melted chocolate for raw cake mix! Leave to cool in the tin for about 10 minutes then turn out on to a wire rack and leave to cool completely. For the frosting, melt the white chocolate in a bowl over a pan of hot water. Quickly stir in 1 tablespoon of the mascarpone, then beat in the rest (be careful not to overbeat the mixture or it will go grainy). Spread over the top of the loaf and finish with white chocolate curls and/or fresh cherries.

Kath's Recipe

The warmer weather is wonderful, and here is summer easy eating and served with a good salad – what could be better – kath

Bacon, Mushroom & Cheese Pasties

1 tbsp Olive Oil
225g Chestnut Mushrooms, wiped and roughly chopped
225g Rindless Bacon, roughly chopped
(You could substitute Salmon instead of Bacon)
2tbsp chopped Watercress
Black Pepper
350g Ready Rolled Puff Pastry
50g Grated Cheese
1 Small beaten Egg

Gently fry the bacon and mushrooms for 5 mins, add Black Pepper and allow to cool. Meanwhile roll out the pastry onto a baking sheet, lightly floured and cut into 4 equal squares. Divide the Bacon (or Salmon if you prefer) and Mushrooms into 4 equal portions and spoon onto the pastry. Add the grated cheese and chopped watercress, brush the edges with beaten egg and fold over the squares into a triangle shape and then brush the tops with egg. Bake in a preheated oven at 200c/400f/gas mark 6 for 15-20 mins until golden brown. Then serve hot or cold with watercress, cucumber and vine tomatoes and enjoy with a glass of wine in the sunshine.

EXPERIENCED/PASSIONATE GARDENER REQUIRED

The owners of a recently acquired country house in the local area required an experienced gardener to maintain the existing grounds and develop, establish and maintain a formal garden befitting a country house.

It is envisaged that the position is part time for 16 hours per week

Secret Gardener

Home grown compost – what’s not to love? It’s cheap, environmentally friendly and a very convenient source of growing matter for planting, mulching and bringing new life to tired soil. Okay, so it involves dealing with critters such as worms, maybe slugs and the occasional clouds of fruit flies, ants if your mix is too dry and slimy sludge if too wet but once the magical biological process has happened, you end up with something resembling crumbly black forest gateau. It’s also a fabulous way to cut down on waste going into your household bin and onto landfill.

Being resourceful and creating your own ‘produce’ whether it be compost, bread, clothes, plants, bird & bee boxes is another empowering ‘superpower’. It provides resilience from global market failures during tough times as well as being satisfying so do find your own creative niche and go for it. With garden centres closing last year I simply emptied my bins and by adjusting the mixture for seedlings, potting on or general garden use, I was able to carry on calmly gardening.

I have both green composter bins (aka Daleks) and one made from pallets. Both work as the success seems to be more down to layers of different materials: kitchen veg and fruit scraps, garden materials (not roots of perennials (eg dandelions, dock)) some shrubs but not too woody and best chopped up, all mixed with thin layers of grass cuttings in between. Give it a stir with a stick every so often to aerate it and if it looks dry, add some water. It should only ever smell earthy and not rancid.

Happily the pond is now algae-free with frogs and tadpoles visible. Adding barley straw faggots and using a sunshade helped prevent further green growth. Phew!
