Email: keyworthnews@gmail.com

I'm sure I'm not the only one who has been affected by the recent closure of Clifton Bridge. It's fair to say travelling to Nottingham has been pretty testing, with gridlock around Trent Bridge, the temporary traffic lights in Plumtree, and delays to the buses. I do hope by the time this goes to print the situation has improved. Anyway, spring is just around the corner and I'm remaining positive. Next time you journey into town, why not pop a Keyworth News in your bag just in case!

Village Litter Picking 2020

Following our winter break the monthly litter pick around the village will re commence on Thursday 5 March and continue on the first Thursday of each month thereafter. Volunteers from the local community are welcome to join members of the Rotary club for the litter sweep around Keyworth and along roads coming into and going out of the village. We meet at the Village Hall car park at 10am for a pick lasting up to 2 hours. Equipment is provided but you are encouraged to wear weather appropriate clothing and strong footwear.

A reminder of each month's event will appear in the Keyworth Diary Section of the magazine.

KEYWORTH SCHOOL OF THEATRE DANCE (KSTD)

KSTD, with over 200 pupils, has been based at the Webster Hall, Nottingham Road, Keyworth for 43 years and is one of the longest running dance schools in the Nottinghamshire area. Our next Charity Show 'Timeless' will be held at Loughborough Town Hall on 14th & 15th March 2020 with only a few seats remaining. (Tickets www.loughboroughtownhall.co.uk). Our

nominated Charity is Macmillan Cancer Support.

KSTD has had many successes since our last show 'Once Upon a Dream' in March 2018. We have held 9 IDTA examination sessions with a 100% pass rate with many students obtaining the highest award band of distinction.

Feergus the Musical

Some of our dancers have performed twice in a locally written and produced original musical which was staged in Keyworth in November 2018 and then in Nottingham in November, 2019. We are very proud of the commitment and talent that the KSTD performers brought to 'Feergus the Musical' and wish to congratulate them, writer Brian Lund and the production team for the time everyone gave to this community project.

Tel: 0115 937 4427

Lucas Ward left KSTD at age of 16 to go to Emile Dale in Hitchin to do a BTEC in Musical Theatre. He has recently successfully auditioned for Laine Theatre Arts and will join their Musical Theatre Degree Course in September 2020. His determination was evident as a young boy at KSTD. It is a prestigious Dance and Drama College and we are very proud of his achievement.

Heidi Marlow obtained 90 marks distinction for 2 recent IDTA examinations and for the Grade 5 Theatre Craft examination she was nominated by the examiner to attend the prestigious IDTA Theatre Dance Awards in Manchester where nominees compete for scholarships for their dance education. She has also danced in the Boogie Nights production in Leicester with a local theatre group and is about to perform in 'Bring it On' next month.

Mica Davies has taken 2 teacher's examinations since the last show and is working on the next. She obtained 93% for Pre-Associate Part 1 and 2 Ballet and 90% for the Anatomy Diploma.

Abigail Dring successfully auditioned and appeared on the CBBC show 'Got what it takes' in January. Abigail has a strong passion for acting, singing and dance and hopes to have a career in this industry. Abigail plays the part of the Inventor in our forthcoming 'Timeless' production.

Francesca McEnery successfully auditioned for 'Hairspray' at Loughborough Town Hall. She was given the lead dancer role and is auditioning for dance colleges for the next academic year.

Pantomime 2018 at Loughborough Town Hall

Heidi Marlow, Francesca Mc Enery and Liliana Reader all successfully auditioned for the 2018 Panto 'Beauty and the Beast' at Loughborough Town Hall. They were all fantastic.

"All you require is the love of dance and the desire to learn - our team of experienced teachers will do the rest".

Ann & Kirsty

An idea for local businesses?

Would you like more people to come through your door to shop?

There are quite a few businesses within the village that don't cater for everyone and I am thinking along the lines of people that have limited means of walking or are in a wheelchair. There are shops that have steps and I realise it can be hard to adapt some buildings but how about something like this? (see image).

These can be purchased online for around £55, can be kept out of the way or near the door if somebody wants to be able to go inside and shop. All you need to do is pop a notice in your window to say there is a ramp available - you never know it may boost profits with all the new customers that you can entice in - just a thought.

J&K KEYCARE

Small, local, friendly business covering Keyworth & the surrounding areas with Keyworth born carers.

KEYWORTH HORTICULTURAL ARTS AND CRAFTS SHOW

Although we are still several months away from Show Day (Saturday 4th July), members of the committee have already made good progress with planning the event. Here are the subjects of some of the classes which you may want to start thinking about:

PHOTOGRAPHY

The subject of the class for up to three photographs will be 'SIGNS OF THE TIMES'. Interpret this however you want to!

Another photography class will be for a single photo of 'A DISH OF FOOD THAT IS SPECIAL TO YOU'. We want you also to include a note saying as to why it is special.

NEEDLECRAFT

This year's Charity Class (Children in Distress) will be to knit 'A BLANKET FOR A BABY OR CHILD'. Up to a maximum size of 1 metre square.

There will be another Charity Class (Premature Baby Unit) for a knitted or crocheted garment for a premature baby. You can design it yourself or simply use a pattern, e.g. a cardigan, hat, mittens or booties BUT only acrylic or cotton thread should be used - NOT WOOL.

Another needlecraft class will be for a Sewn Pin Cushion using any material.

Keep a look-out for further news of other classes in the months to come.

Finals Night of the Village Quiz on 23rd March

The UK's only on-stage Village Quiz will complete its successful 2020 run on March 23rd in the Village Hall. After seeing audiences of over 120 during the First Round weeks we recommend getting there on time to secure a good seat for the remaining weeks.

All the quiz evenings are held on Mondays in the Village Hall and the first match of the night starts at 7.30 pm.

24th February	Second Round
2nd March	Second Round
9th March	No quiz
16th March	Quarter Finals
23rd March	Semi Finals and Final

Entry is free and there are refreshments available. Quizmasters John and Paul look forward to testing the knowledge of our teams and the audience too - on the Finals Night there will be an audience quiz with prizes.

Collecting used stamps

Don't throw your used stamps out for recycling, please take them to Bob Green's in the Square or pop them in the box left outside 17 Roseland Close. These will then be sent to RNIB, pictured opposite is the amount that has been collected since Christmas. RNIB raised £14,000 last year from stamps.

Thank you

To report dog fouling please contact Rushcliffe Borough Council on 0115 981 9911 and the Council will arrange with Streetwise for it to be removed. If the fouling problem persists a dog warden will be introduced to the area to catch the offending dog owner.

Adventures with 4th Keyworth Guides

4th Keyworth Guides have been up to lots of exciting things. Starting with Ginormous choir - a 400 strong scratch choir of Girlguiding members. We sang songs from ABBA and The Greatest Showman, it was awesome.

We also visited The British Geological Survey and had a look at their amazing core store, panned for gold and learnt how microfossils can be used to tell us about our climate in the past and how this helps understand climate change today.

We've been out on night hikes around the village, navigating in the dark can be really challenging, several of us made our promise as Guides in the moonlight. This term we are working on the 'know myself' theme we have been thinking about fairness and deciding whether it's ever OK to do something wrong if it will help someone? In the summer we are off to Yorkshire for Girlguiding Wellies and Wristbands event, it's our very own Glastonbury event and we are all mega excited. It's going to be quite an adventure.

Kate

For information about Guiding or if you are interested in helping with a unit, you can contact someone local at keyworthguiding@gmail.com. Alternatively visit www.girlguiding.org.uk/interested or call 0800 1 69 59 01.

.....

Would you like to help out with the Keyworth Show?

The Keyworth Show committee are looking for new members or volunteers, if you have a little time to spare then please get in touch - we would love to hear from you. We are a friendly group who have meetings throughout the year to create a fantastic Show every July.

1st Keyworth Scouts

Scouts have had a lovely time recently, learning lots of new skills, having fun and welcoming a few new scouts into the troop.

Our main focus has been developing skills and knowledge for an expedition that some of us will be taking part in soon. These skills include pitching tents and cooking. A few weeks ago, we made burgers in small groups of 4. We were all communicating, working together and having lots of fun. They tasted amazing too! On Saturday 8th February, we even attended a full day first aid course and achieved a stage 4 first aid badge. This course included practical skills such as CPR, bandaging, slings, recovery position and administering adrenalin with an epi pen. We covered a lot of subject matter and are now very well practised and keen to get out on our adventures. We will now 'be prepared' for whatever happens so a big thank you to David Day (Explorer Leader) for organising that for us.

Recently, Richard (Scout Leader) has been providing archery in the hut, so we are really grateful that Richard has spent his own time gaining the qualification to teach archery to us.

Also, we are so grateful to have such amazing opportunities and are now up to a total of 27 scouts, which is great. Once again a massive thank you to all the amazing leaders, we couldn't do it without them.

Gabriella Griffiths, Scout Patrol Leader - Tigers
Scouting Correspondent

We are always looking to strengthen the leadership team in each section. This team approach gives a degree of flexibility to volunteering around work and family commitments. We are currently looking for people to join the adventure on a Tuesday at Explorers. If you (or know of someone who) would like more information about this exciting opportunity, or indeed if you have a young person that wants to join the group, please contact the Group Scout Leader, Graham Blakey at: keyworthgs1@gmail.com

2425 (NOTTINGHAM AIRPORT) SQUADRON AIR CADETS

2020 has started with great results for 2425 Nottingham Airport Squadron. We have seen our best results in many years at South and East Midlands Cross Country meet at RAF Wittering in early January.

Our team headed out over 5km and 3km on a cold but sunny Saturday morning. The cadets performed magnificently with a number being chosen to go forward to represent the Wing at a higher level. In sport cadets have also undertaken Wing trials in rugby, football, netball and hockey.

Staff have also been out and about with attendance in training in DofE and First Aid. Without trained staff we are unable to provide activities to our cadets and as such we fully support our adult volunteers obtain skills and qualifications.

The month has seen cadets also progress in their classification training with a number receiving certificates in all four exams. On passing the final of the four exams the cadets also qualify for a BTEC and three have already been secured this year.

This month saw the Squadron gaining further drones for flying upon the squadron. Cadets compete against each other flying these small quadcopters through and around obstacles against the clock.

Our multi-screen flight simulator is now fully up and running with instruction being provided to cadets by staff who are all pilots themselves.

2020 marks 80 years since the Battle of Britain and 75 since D-Day. It also holds significant anniversaries for our squadron. The Squadron has always been local to our communities and moved between a number of villages and locations over more than fifty years. 35 years ago, this year we moved to our current home when in 1985 we were provided with a purpose-built HQ at Nottingham Airport Tollerton.

Planning is in full swing for special events during the year to mark such an important anniversary.

Why not be part of our adventure for 2020?

Fancy having a go? Contact us to come along and see what we do.

Join Us!

We are recruiting both cadets and adult staff so get in touch! Activities include Flying, Gliding, Camps, Target Shooting, Sport, Drill, RAF Base Visits, DofE and much more. The ATC is a youth organisation open to both females and males aged 12 (in year 8) and over. We meet twice a week (Mon & Thur, 7pm) at the airport, Tollerton, Notts. We are also looking for adult staff (both uniformed and non-uniformed) and committee members. To join please email adj.2425@aircadets.org

Check out what we have been doing on our Facebook and Instagram accounts.

We look forward to hearing from you.

Opportunities for Individuals and Community Groups

Following the success of the Club's Santa Sleigh collections Rushcliffe Rotary is offering grants to individuals and groups within the community who are engaged in projects at home or abroad. Individual grants usually range from £50 to £200. The total allocation each year is limited so early application is advised. When considering an application, the club makes reference to the following criteria: -

1. any previous application made to the club
2. the link the individual or group has with the local area
3. the extent to which the project has a humanitarian, environmental or educational focus.
4. the extent to which the project supports disadvantaged groups within the community
5. the willingness to report back to club members on the outcomes from the project.

Applications should be sent by email to the Secretary, John Hooley at johnhooley@virginmedia.com

Further information can be obtained by contacting Kip Herrington on 0115 937 5397.

Building Regulations
Part P Approved

Young Voices!

Crossdale once again sung and danced their socks off at Young Voices! This year over 50 children from Year 3-6 travelled to Manchester Arena to take part in the largest school choir in the world! It was a long journey and a wet walk to the arena, but this did not dampen the spirits of the children, teachers or wonderful parent helpers that accompanied us! Special thanks go to all those parents that came with us to help or spectate, to our choir teacher Mrs. Mack for helping the children to learn so many of the songs so well this year and of course to our wonderful Crossdale PTA for providing the funding! The children's behaviour, enthusiasm, singing and dancing were most definitely something to be very proud of!

Diversity Champions

Freya and Maxi from Year 5 have been elected as Crossdale's representatives on the Equals Trust Diversity Champions team. They began their fieldwork with a visit to a Hindu Temple, after which they shared their experiences with the whole school.

Science is fun

Our Year 4 children have been learning about electricity. This has included investigating the role of switches, insulators and conductors in an electrical circuit, and using this knowledge to build their own circuits on which they were able to control the flow of electricity. Meanwhile, Year 3 have completed their Mighty Metals topic by making 'iron men' using magnetic parts and exploring friction by testing carts on different surfaces.

Half-term 'Fair Trade' supermarket challenge

We have been learning about 'Fairtrade' goods (they are produced and sold in a way that means that the farmers and workers growing the food get a fairer price). We set the children in Base 3 a Fairtrade supermarket challenge for the half-term holidays. They were asked to visit their local shop and to try to identify as many fair trade items as they could. The results are being used as the basis for a wider exploration of the topic this term.

Windmills Childcare

Do you require quality childcare in Keyworth? Windmills Childcare offers pre-school education, before and after

school care and a holiday club, and is based

jointly at Crossdale and Keyworth Primary Schools. See www.windmillschildcare.co.uk, call 0115 974 8082 or email admin@windmillschildcare.com for more information.

Willow Brook Primary School

As somebody very famous once said, *"Reading should not be presented to children as a chore or duty. It should be offered to them as a precious gift."*

Making sure that we open that gift and put reading for pleasure at the heart of our work is what Willow Brook is all about this half term.

Along with the energy and activity of World Book Day, each year group is studying the work of a key author. We have Skype appointments with some of them; having the honour of visiting one of them and will enjoy using their books to spark our own creative genius! Art lessons will be filled with learning how to be a skilled illustrator. Picking up tips from masters such as Quentin Blake, Shaun Tan and Anthony Browne, we'll be cartooning, sketching and painting with inks to emulate their style. Book corners and library areas will have a friendly make-over and new stock, making them THE place to be and a place we will enjoy sharing with invited family members as well as friends. Trips to Waterstones and the local library to 'suss out' the market and shop will be an essential part of the process for both teacher and children!

The '200 Million Minute' national reading challenge is a brilliant way of building reading stamina and makes for a great maths challenge, too! By pooling our school's reading minutes over a period of time, it will encourage us all to get into new habits and make sure that every spare second is seen as a chance for the next page to be read. Logging our minutes online alongside other schools will also help us to see children from around the country working on the same goals.

By Easter, we hope to be authors ourselves, and write and illustrate new titles ready for in-house publication... something of our very own to add to the wonderful world of reading. Every day in Willow Brook classrooms (and, I hope, in many homes) the day should end with a story – a little piece of imagination... an escape to a new world... identifying with a character just like you...a gift, not a chore.

American Icons in Year 4

In Year 4, we have been busy getting stuck into our new topic and have been finding out all about American icons. We have discussed and learnt about many from the past and present and then we researched our favourite one using the Internet. Some of our favourites included: Marilyn Monroe, Walt Disney, Rosa Parks, Michael Jordan and Neil Armstrong! We have been really careful to learn important dates including birth and, in

some cases, when they died.

Street Detectives Around

Our Year 1 and 2 children have been working super hard on their new topic 'Street Detectives'! They have been learning lots about Keyworth. They completed a traffic and environment survey on the school grounds, created adverts for houses, took a walk around the village and visited the local library to study their historical archives.

Over the next few weeks the children will be creating models of their dream homes in D&T, compare old and new shops, write poetry and create instructions for a recipe. Sounds like a fab topic- keep an eye on the 'Jellyfish' blog to follow what they are doing...

Lunchtime philosophy club

Yes, that's right, a Philosophy Club in Primary School!! Gershom is a Philosophy student at The University of Nottingham and has been working with a group of our older children on a Tuesday lunchtime discussing all kinds of topics! It has made the children think hard and play around with ideas in their group. Some of the topics they have been discussing include: Ethical dilemmas, Democracy and Crime and Punishment. Gershom has asked the children to consider questions like 'What's the right thing to do?' and 'What do you think about punishment?' The

children have loved having the opportunity to share their thoughts and opinions about a range of issues and have even learnt how to disagree and challenge each other in a respectful way.

Tree Update

You have probably heard the call for one-million people to join UK's biggest mass tree-planting campaign. In Keyworth we received around one-hundred saplings at the end of November from the Woodland Trust with nearly half having been passed to interested individuals. By 2025, the Woodland Trust - the charity behind the Big Climate Fightback - hopes to have planted a tree for every person in the country. All the trees provided by the charity will be native broadleaf varieties, such as oak, birch and hawthorn. We still have Field Maple, Silver Birch, Grey Willow, Pedunculate Oak, Wild Cherry and Rowan saplings to go.

According to the Committee on Climate Change, the government's statutory advisers on the climate crisis, the UK should have 1.5bn new trees by 2050 to meet the net zero carbon target. Therefore, volunteers are being urged to do their bit to stop the climate emergency by grabbing a spade and signing up for the biggest mass tree-planting campaign in the UK's history.

Richard and Ben Lumb (below) recently had a planting session at the Elm Avenue Mini Allotments which operates on the KPC site beyond the tennis and bowls clubs, adjacent to the South Wolds school.

Dave Clarke was nominated as our local tree warden and in February carried out training with Rushcliffe Borough Council, the Tree Council and the Woodland Trust. For more information please contact CllrDaveClarke@keyworthparishcouncil.org

Keyworth and District Local History Society (K&DLHS)

www.keyworthhistory.org.uk www.facebook.com/KeyworthHistory/

Keyworth and District Local History Society aim to provide a friendly and welcoming environment to develop interest in history and heritage of Keyworth and neighbouring parishes. K&DLHS also publish books, pamphlets and maintains an archive of items relevant to the local area. It also participates in local history events in the wider context of Nottinghamshire and the East Midlands in addition to the monthly instructive and entertaining talks and presentations.

The monthly society meetings are held on the first Friday of the month (except in August) in the Keyworth Village Hall's Centenary Lounge at 7.30pm.

The next event 6th March will be the 27th AGM followed by The Bob Hammond Memorial Talk: A Tribute by Richard Pincott of The Field Detectives. Location - Keyworth Village Hall's Centenary Lounge, 7th February. New members are especially welcome.

Accessible raised beds

Any person living in Keyworth or Stanton who is unable to bend or kneel sufficiently to reach, and tend a low plot, can apply for one of our raised beds. We only allow the growing of annual crops and flowers due to the area available. The raised beds are approximately 2' 6ins high x 10 yds x 4' 6ins wide. With a water tap close by. Please apply to the manager, Tony Oxford on 937 3277.

Keyworth and District Community Concern

100 Club. The latest draw was carried out on the 5th February by the ladies using our Bus on Tuesday travelling to the Day centre. The results are as follows:

First Prize (£100 Perkins Voucher)	No 3	Sandra Weaver
Second Prize (£50 Indian Nights Voucher)	No 102	No Publicity requested
Third Prize (£25 cash)	No 22	Sheila Barton
Fourth Prize (£10 cash)	No 26	No Publicity requested

A big thank you to our prize givers and congratulations to the winners.

On the buses. Can you spare a few hours occasionally to help as a driver or escort on the Keyworth Community Buses?

Our Tuesday Club and Thursday afternoon Friendship Club runs have an escort to help board and seat passengers and on Thursday morning our escorts also help our passengers with their shopping. And we need additional drivers particularly for trips out of the village by member groups.

Training and support are provided for all our drivers and escorts. If you would like to join our team and support the local community, contact Eddie Pettipher at kdcc.minibus@gmail.com or ring 07881 836 221.

Day Centre. Are you feeling lonely? Do you know someone who is? Are you a carer, and would benefit from some respite?

There are Spaces available now in our Day Centre, a lunch club specifically for the elderly and less abled within our community. The Centre operates most Tuesday between 9.30am and 2.30pm offering:

- companionship
- a chat
- coffee, tea and biscuits
- and a hot lunch (delivered to us and charged at a cost of just over a fiver)

Volunteers run the Centre in the Centenary Lounge next to the village hall and we have DBS checked volunteers too. Transport to and from the lunch club in the Community Bus can be arranged. If any of this interests you contact Doreen on 0115 937 4429.

Finally, a big thank you to Keyworth Probus for their generous donation and it was great to receive £100 from the Indian Nights restaurant raised by our joint summer take-away promotion.

CHURCHES TOGETHER IN KEYWORTH

This edition of Keyworth News comes out as we begin the season of Lent, a forty day preparation leading to the commemoration of Jesus' death and resurrection at Easter.

For many people Lent is all about giving things up, and some of the customs that precede it - Pancake day, Carnival, Mardi Gras - arose from the desire to have a last hurrah before the time of abstinence. Nowadays, however, it's hardly the only time in the year when you might give things up. We've only just got past Dry January and Veganuary, both demonstrating how well national organisations can utilise modern media, and New Year's resolutions have been around since humans started marking the years. Many of us struggle continually with maintaining a healthy diet. But Lent is different. The point is not to improve our physical wellbeing, nor to succeed in a challenge. Lent is about penitence: the acknowledgement of human sinfulness, and particularly of our own part in it. This is marked by the custom of marking ourselves with ash crosses on Ash Wednesday, and all the activities of Lent, whether giving things up or doing extra acts of charity, study or prayer, are to encourage a spirit of penitence.

As we look around the world, it is hard to deny that there is much to be penitent about. Top of the list has to be how we humans have been treating our planet. That may be followed by the way in which rich people and nations treat those who are poorer, the endemic violence of our global society, and the intolerance of people of different views and lifestyles which has become such a feature of society today. Any one of us can produce a list of the problems that beset our world, but what do we do about it? It's all too easy to point the finger, to find others to blame for these problems. We happily see ourselves as subject to forces that are too big for us to control, or simply closer our eyes to our own contribution to a sinful world. Lent helps us to focus on just that: the way in which we are guilty of making the world a worse place rather than a better one; and any of the things that we take up or give up during this season should be designed to help us to acknowledge our fault and to seek to change. That could all be quite gloomy, but Jesus gives us reason for hope and joy. His cross led to his resurrection and new life. When we acknowledge our part in the evils of this world in acts of penitence, then we can change, and the world can be transformed.

May you have a blessed Lent,

Fr Tom Meyrick, Rector of Keyworth and Stanton-on-the-Wolds and Bunny with Bradmore.

For sale items free if under £100, £2 for over £100. Lost & Found items FREE.

Thank You...

In the surprise snowfall on Monday 10th February, I was horrified to find my car sliding towards the ditch on the bend on Brown's Lane at the edge of Stanton-on-the-Wolds. Fortunately my car stopped before it descended into the Maws of Doom, but it was in a very precarious position leaning over the edge of the precipice.

In the two hours that I had to wait until the breakdown truck arrived to haul the car to safety, I lost count of the many, many people who stopped to ask if I was alright. Many offers of help: lifts, phone calls, cups of tea. I thanked each of them individually but I'd like to extend a very big THANK YOU to a caring community which did not ignore a solitary female waiting in the snow by her crazily-parked car.

I really appreciated it. *Pam Wall from Salisbury, visiting her dad Jim Wall in Keyworth*

The problem of pavement parking - Please Think Before You Park!

The demand for parking in Keyworth has begun to create problems on streets in some areas. It is not unusual to see vehicles parked partly, or even mostly, on the pavement.

DON'T ENDANGER A LIFE - PLEASE THINK BEFORE YOU PARK!

Whilst I enjoy Coq au Vin, it makes a nice change to use a white wine instead of the usual red. This recipe 'fits the bill' especially as the wine sauce is thickened with cream! An easy way to peel the shallots is to put them in a heatproof bowl and pour over boiled water to cover, then leave for about 5 minutes and drain. This loosens the skin so are easier to peel. You can substitute the Riesling for any other white as it has a rounded and fruity flavour. *Happy cooking - Barry*

COQ AU RIESLING

2 tablespoons vegetable oil
12 round shallots, peeled but left whole
160g smoked bacon lardons
250g chestnut mushrooms, halved if large
1 whole chicken (1.5kg), jointed into 8 pieces
1 bay leaf
100ml single cream
Handful of flatleaf parsley, chopped

70g butter
3 garlic cloves, finely chopped
1 tablespoon plain flour
500ml medium-dry Riesling
350ml chicken stock
3 fresh thyme sprigs
1 egg yolk

Heat half the oil and butter in a metal stew-pot/casserole and fry the shallots, garlic and bacon lardons until the shallots start to colour. Add the mushrooms and fry for a couple more minutes. Transfer everything to a bowl using a slotted spoon. Add the remaining oil and butter to the casserole. Dust the chicken pieces with flour and brown them in a couple of batches. Put all the chicken back in the casserole and add the wine, stock, herbs and the cooked shallots, lardons and mushrooms. Season with a teaspoon of salt and plenty of black pepper. Bring to a simmer and cook for about 20 minutes, uncovered.

Pass everything through a colander set over a bowl and keep the chicken, lardons and vegetables warm. Return the strained liquid and juices to the casserole and reduce a little over a medium heat. Take the casserole off the heat. Whisk the cream and egg yolk in a bowl with a ladleful of the reduced cooking liquid, then pour this into the rest of the liquid in the casserole. Stir over a medium heat until the sauce thickens, but don't let it boil. Put everything back into the casserole and warm through. Check the seasoning. To finish, garnish with chopped parsley and serve with buttery, smooth mashed potatoes. Serves 4. Obviously the ideal wine to have with this dish is a German Riesling.

MARCUS COMPTON

1st March is St David's Day, so its Welsh Rarebit, Leek Soup or better still Welsh Cakes, dead easy, Kath.

WELSH CAKES

225g Self Raising Flour
100g Butter
50g Currants
2 tbsp Milk

Pinch of Salt
50g Sugar
1 Egg

Simply Mix flour and salt, rub in the butter and stir in sugar and currants (but I like raisins). Mix in the egg and enough of the milk to make a stiff dough. Roll out 5mm (1/4 of an inch) thick and cut into rounds. Cook on a griddle if you have one, or a flat bottom frying pan for approximately 3 mins each side until they are golden brown and serve buttered hot or cold and enjoy!

"I'm a very happy customer.
Thank you for the most
hassle-free job of this kind that
I have ever had done. I won't
hesitate to use you again or to
recommend you to friends."

Accessible raised beds

Any person living in Keyworth or Stanton who is unable to bend or kneel sufficiently to reach, and tend a low plot, can apply for one of our raised beds. We only allow the growing of annual crops and flowers due to the area available. The raised beds are approximately 2' 6ins high x 10 yds x 4' 6ins wide. With a water tap close by. Please apply to the manager, Tony Axford on 937 3277.

RESOURCEFUL LIVING FROM KEYVOLUTION & KEYWORTH ABUNDANCE

All Change for Project ExChanging Rooms!

2020 is promising to be an exciting year for Keyvolution! Regular readers might have noticed that we've been fundraising for several years to get enough money to complete phase 2 of our renovation of the old changing rooms on the Rectory Field. Now thanks to some additional funding from Rushcliffe's Healthy Futures Fund, we're on track to finish it soon. Being suckers for a pun, we call it "Project ExChanging Rooms". Phase 1 was to create an apple store to support the Abundance Project & this is already up & running well. We typically pick up to 80 bread-baskets full of surplus fruit in a year to share with the community.

Phase 2 promises to be the green icing on the cake - turning the other side of the building into a multi-purpose meeting room & small kitchen aimed at supporting activities with an environmental or community flavour. It will be kitted out to be a multi-functional space & will fill a gap in Keyworth for a small meeting room that can be used for activities like crafts & woodwork. We hope to run Repair Events there, where volunteers with various skills will help people to mend their household items instead of having to bin them. We are also hoping to hold regular Skill Share events to help locals with expert knowledge in practical areas pass on the knowledge to others. Several Abundance members are already on standby to reveal our jam & chutney making secrets! We might even be able to persuade our cider & wine makers to share their magic...

One of the main aims of the group is to help bring the community together, so we have ambitions to host a range of sessions that will focus on that - we'd love to host a "Men

in Sheds" (& / or a version for women who like a bit of woodwork!). We're also keen to use surplus food to run community eating events & the space would be available for small groups or new groups to use when they first start up.

We're hoping that work will start on the revamp within weeks & we aim to have the whole thing up & running in time for the Garage Sale Safari which will be on Saturday 6th June this year. If you're interested in that event - registration forms will be appearing shortly or email garagesalesafari@gmail.com to be sent an electronic version. The Garage Sale Safari facebook page will also have regular updates.

If you'd like to find out more about the plans, how you can get involved in the ExChanging Rooms project, or you'd be interested in using the space once it's finished, please let us know by emailing keyvolution1@gmail.com

What The Riding for the Disabled Association (RDA) Means To Me

By Jack Bryan

Posting a letter, easy right? Not when you are sitting on half a tonne of muscle, bone and fur! My new horse companion was on his eighth ride and rider for the day. Hercules was my partner for this event. I had to complete twelve tasks under the vigilant eye of the judges and watching family, friends and other competitors. The event was the Countryside Challenge at Hartpury College, the final of a national competition run by the Riding for the Disabled Association (RDA). Posting a letter was one of the challenges. I'll tell you how I got on in this first challenge and the other trials later!

The RDA provide opportunities for disabled people to access equestrianism and the joy of working with horses. I had been scared of horses prior to getting involved with the RDA. The RDA are experts in their knowledge and working practices. They gave me the confidence and self-belief to ride. You are allowed to progress at your own pace under the watchful eye of an instructor. Horse and rider are carefully matched to allow you to confidently progress.

I first went on a horse aged 7, with Mum on one side and dad on the other. At the time I could barely sit up straight on my own. I have cerebral palsy which means I have a weakness in my arms and legs and general core strength. Through riding and many hours of physio my strength has greatly improved. It could be said that time on the horse was like doing physio without realising it! I have had to stretch, improve my posture, engage my core and generally get stronger. This is just the physical benefit, there are lots of mental benefits too.

Going riding and just being around horses greatly reduces my stress and anxiety levels. There is a symbiotic relationship between horse and rider. If I am calm then the horse picks this up and is calm too. It is a soothing time. Caring for the horse takes your thoughts away from yourself. Being out in the fresh air gives you a sense of optimism - even in the pouring rain! The horse has a will of its own and is much more physically strong than the rider. So the rider has to adapt and respond to the situation at hand. This means that I have to be more flexible in my thinking and approach. One of the traits of my autism is that I do not like unpredictability and change. The RDA has helped me to overcome this personal challenge. I am now much happier to go with the flow. Other mental benefits of riding are; improved concentration, better lateral thinking and enhanced problem solving. It certainly isn't just sitting there while the horse does all the work! I can take these skills into my everyday life. I feel that I can now do more things in life and make the most of any opportunities that come my way.

All of the opportunities offered by the RDA are thanks to the generosity of the volunteers and stable owners. I am very grateful to those lovely people who give up their time to help others. You form a bond with the volunteers and other participants, it's a real sense of community spirit which comes into its own at competition time & it feels great to belong to something.

The competition has a number of categories including The Countryside Challenge which replicates obstacles you may encounter on an everyday ride. Such as opening and closing a gate, crossing a bridge and picking an apple from a tree. In addition there were dressage style tasks like a serpentine ride to test horse handling and turning skills. I know that it's a cliché but it is not all about the winning. Getting to a national final is a big deal. I felt nervous (in a good way), proud and supported by the RDA community. As for how I got on in the event I came a very creditable... Third in class, much to mine and my families delight. This result truly was incidental to my enjoyment of the day.

All the competitors were there for the same reason - to have a good time. Enjoyment is what the RDA is all about. I would wholeheartedly recommend Riding for the Disabled Association centres, it has helped me in so many ways.

KEYWORTH CRICKET CLUB (1815-2020)

Sam Foster & Tom Rock are off to play cricket in the Caribbean for March & April in continuance of the club's CULTURAL EXCHANGE programme with the Government of Antigua & Barbuda and we wish them bon voyage.

KCC won the County award for Most Inclusive & Diverse cricket offer last season and following a successful first year as the DISABILITY HUB for cricket in the South of the County continues to provide regular coaching sessions, supported by the Notts Cricket Board and the Lord's Taverners, and Keyworth's very own Jane Rummery and Darron Cox in the Keyworth Leisure Centre Sports Hall on a Monday evening from 5.30pm to 6.30pm, so anyone with learning or physical disabilities who would like to get involved in cricket or simply a team sport, or as a volunteer, please get in touch, and let's see what we can do together ?

KCC are also introducing WALKING CRICKET, a slower form of the game played with a softer ball for 50 years plus men and women. Batsmen walk between the wicket; Fielders walk after the ball and there is no run up for the Bowlers, they walk. Again, if you fancy being part of a team in 2020 with a new or rekindled interest in cricket, please get in touch.

KCC will be running more than 30 TEAMS this year and our mantra is 'if you want to get involved in a team sport - as a player, scorer/umpire or volunteer - then come and find the level that works for you, and enjoy being part of one big family club' and KCC will also be active in the local Junior SCHOOLS, April through to June coaching cricket and our Schools Festival will be on Tuesday 23 June.

We are sending a mixed team of boys and girls to compete at LORDS in an Under 13 Indoor Tournament in the MCC Cricket Academy on Saturday 7 March against teams from London, Cheshire and Wiltshire, a very exciting opportunity and great experience for the youngsters.

WINTER TRAINING continues until the end of March at Trent Bridge on Thursday evenings for Men, Women, Boys & Girls and every Monday evening at Keyworth Leisure Centre for junior soft ball playing boys & girls followed by Fit for Cricket training sessions for adults & juniors and every second Wednesday evening from 5 February there are Ladies soft ball sessions 6.30-8pm at Keyworth Leisure Centre.

New players are always welcome at any of our activities & sessions. For more news or information please follow Keyworth Cricket Club across social media platforms or contact Barry Baker (President) bgbaker@btopenworld.com www.keyworthcc.net www.keyworthcrickethistory.co.uk

KEYWORTH TENNIS CLUB

Match news - The teams have had a busy start to the year, with only one match postponed due to icy conditions. Winter league outdoor matches are made up of 3 pairs per team, with the indoor league being made up of a ladies and mens doubles followed by 2 mixed matches, all rounds being 16 games.

Indoors, at Nottingham Tennis Centre, the Mixed 1st team beat Farnsfield in the indoor league 38-25. The ladies (Danielle Wells and Sandy Drummond) got off to a flying start winning 15-1, putting the team in an early strong position to clinch the match and Keyworth's Mixed 2nd team lost 20-38 to Ilkeston 1sts.

The Ladies' team lost to Lady Bay 60-31 in a match shortened due to heavy rain. Then came a successful match against Southwell, Keyworth winning 70-38. We got off to a perfect start on a very windy day with Sally Herrick and Sandy Drummond posting a 'bagel' (12 - love games) in the first round. There were also strong performances from Danielle Wells and Amanda Gunther ensuring a good lead for the entire match.

The Men's team had a tough outing in a match played on a day with a very strong gusting wind, we went straight into the games in difficult conditions and on treacherously slippery courts. All three pairs found the first games difficult so ended the first round well behind. Although performances and scores improved as they became more used to the conditions, there was too much ground to make up and the team went down 41-67. David Walker and Nigel Wright won 17 of their games, Simon Henstock and Jamie McLoughlin 16 and Walter Boersma and Howard Wilkinson 8.

Social tennis - A really positive start to the year - between the wind and rain we've seen full courts some weekends made up of all ages and abilities getting practice in. Social evenings on Tuesday & Fridays are in action, new members very welcome. Come along from 7pm.

Coaching - Tom, Level 3 LTA Coach, is always keen to help those new to the game and can even also host a tennis party. Get in touch if you are interested in junior or adult coaching: 07756 017775 keyworthtennisclub@outlook.com

Keyworth Village Quiz - This year's quiz team (see photo) was beaten 49-65 by Friends of Kadzinuni in the first round of this year's event. After a cracking first round, the team were swiftly overtaken by strong opponents. However, their 49 points earned them a second chance to progress, and they have a play-off against U3A Too for a place in round 2 as 2nd-highest losers.

Interested in joining? Find out details at: www.clubspark.lta.org.uk/KeyworthDistrictLawnTennisClub

Carols in the Stables - wet, wet, wet!

It didn't just rain, it poured, not only on the days before but all through the Friday, it was torrential but it didn't stop us as we never cancel.

Bravely battling against the weather, RDA Volunteers decorated the yard. Tim and his team prepared the ponies and created a magical display of lights for us to enjoy - sheer magic.

For those who braved the weather (and there were many), they arrived at the top of the lane to be met by The Keyworth Ukulele Strummers. They raised everyone's spirits by playing jolly Christmas music whilst we waited for the ponies and Kings to arrive.

The Lane was lined with fairy lights that twinkled brightly which lead you into the yard where everyone gasped in awe at the tunnel of lights, through which you entered the stable yard. Decorated with Christmas trees, more lights and a table of festive goodies prepared and served by South Notts RDA. Miracles do happen and the rain stopped!

Thank you to Sam and his team, Elaine and her family who came along and played their hearts out with some invigorating medleys, encouraging us all to sing and enjoy. Together we raised £397.45 pounds - a great amount.

Thank you to everyone for turning out, sending donations, helping, loaning gazebos and chairs, but most of all for making this a great annual Village Event.

See you next year? Hope so.

Jackie, Chair South Notts RDA

ROYAL AIR FORCES ASSOCIATION

The monthly meeting was held on Thursday, 13th February at the Stanton-on-the-Wolds Golf Club. The planned Annual General Meeting was postponed until next month due to some members not being able to attend. The call went out for a replacement event and was answered by Roger Allton. At short notice, he put together a talk about the Airship R 100. Roger is one of our regular speakers and always presents a well researched talk. He showed detailed drawings and photographs of the construction and played a recording of an interview with the designer - Mr. Barnes Wallis of 'Dambuster' fame.

After the talk there was a break which included time to enjoy sandwiches prepared for the members by the club staff.

Branch President, Steve Gardener read the RAFA dedication and the members listened to stories of Malcolm Pridmore who was killed whilst test flying the Blackburn Buccaneer. The members then discussed the next outing, which will be a cruise on the River Trent on Tuesday, 31st March.

The next meeting will be held on Thursday, 12th March starting at 7:15pm. If you have a connection with the RAF or the other services or just want to chat about the 'old days', then come along to the golf club where you will be made welcome.

Roger Allton and the R 100

KEYWORD UNITED COMMUNITY FOOTBALL CLUB

We must start this report with the sad news of the passing of former club Treasurer John Wood who sadly died on 13th January. A minute's silence was held at the first team match v Calverton Miners Welfare in remembrance of a great and long standing servant of the football club. (see picture below).

Ian Marley's team lies 7th in the NSL Premier Division, after 4 wins in a row with Lee Potts and Scott Litchfield scoring over 30 goals in 13 games since the beginning of November. The Reserves managed by Steve Cullis sit 4th in division 2 and take on Nottingham FC in the semi final of the Notts Senior Trophy while the

Vets team managed by Simon Marlow and Simon Tuckwell, only losing one game all season are in the quarter final of the East Midlands Cup.

The youth set-up at Keyworth United is strong with 9 teams competing in the Notts Youth League from U15 to U19 providing a conveyor belt of players who have made their way into the first team squad, showing there is a clear pathway for youngsters who have the talent and ambition. U18 Youth managed by Chairman Chris Thompson is unbeaten in all competitions this season and proudly sits at the top of the Sunday Premier League. U18 Black & U18 Green are both mid table in Sunday Division 1. U18 White is a new Saturday team this season and is exclusively made up of boys who attend the South Wolds School here in Keyworth. Chris Hammond's U16 Green team, having been promoted to the spotlight on Sundays last season, is battling hard to remain there in what is a very competitive league. U16 Black currently lies 2nd in Saturday Division 2 with striker Klaudio Marqeshi the top scorer in the division. Simon Smith is working wonders with the U16 Whites, having rebuilt the team from almost no players to a squad of 20 lads whose commitment this season has been outstanding. Finally, Trevor Broadley's U15 Red team currently sits second in division 3 fired up front by a +20-goal strike partnership of Logan Shepherd and Luke Brown.

The Inters section also contains 9 teams competing over two seasons (Winter & Spring) in the Young Elizabethan Football League. Both Emma Piper's Under 14 Green & Gary Martindale's Under 14 Blacks have already gained promotion to a higher division this year. All three under 13 teams play at the highest level in division one, the Whites on Saturday and the Greens and Blacks on Sunday with all eyes on the big head to head game between these two scheduled for Mother's Day, Sunday 22nd March. The club's two under 12 teams (Greens and Whites) clash in their Sunday League 9v9 encounter with the club proudly sporting new roll on roll off goals purchased with money raised at 3 events. Graham Shears' U11 Cobras won Saturday Division 2 and so are now playing in division 1, whilst the Blacks and Whites both play on Sundays but in different divisions.

The Junior section has 10 teams - under 7s, 8s, 9's and 10's playing 5v5 football up to age 8 and 7v7 football up to age 10. With around a total of 100 players there's a vibe of excitement down at Platt Lane across the weekend and it's great to see so many players from this group making the new Team of the Week which is made up from players across all 40 of its teams.

Since its inauguration in September the Ladies First team has celebrated numerous achievements, most recently in their outstanding performance against Nottingham Forest Women F.C. in which the enthusiasm and tenacity of both teams highlighted the ever-increasing technical ability of women in football. The U13 girls delivered an exceptional performance in their most recent game and the Under 12 Girls is an absolute credit to team manager Rob Spencer. The Wildcats initiative has been a thriving success since it started last year leading to the drafting of two new teams into Nottinghamshire Girls and Ladies League at U10 and U8 level. Coaches Mark Ritchie and Jason Friday encourage new players of all abilities to join them on Saturday mornings from 9:30am - 11am at Keyworth Leisure Centre.

KEYWORTH CAMERA CLUB

Towards the end of February we viewed the images selected to appear in the North and East Midlands Photographic Federation 2020 Exhibition. The standard of this was very high and it provided an excellent opportunity for our members to see what kind of work other photographers in our region are producing. We were delighted to have a good number of images from our own members making the grade including one from Natalie Burrows which won the Best Under 25 Award!

On March 5th we are pleased to have a distinguished visiting speaker - Vin Scothern. Vin is locally based and has a wealth of photographic experience to draw on. In this talk he will show a selection of sporting images followed by a wide selection of wildlife, landscape and people.

The following week, Dave and Angie Tucker will entertain us with a wide spectrum of their images: infrared, creative, landscapes, people and general fun images. Some of them are award winners - others are just pictures that they like. Visitors are welcome to attend this and indeed any of our regular Thursday evening meetings. The venue is the Parochial Church Hall at 7.45pm.

Also in March we will hold the final round of our internal print competitions, but in the preceding week there will be an interactive event when members can show a panel of four images on a theme of their own choosing. This is a non-competitive event to encourage members' participation in discussing the merits of the panels. Details of all the Club's activities can be found elsewhere in this issue or by visiting our website at www.keyworthcameraclub.co.uk

Are you missing out on pension credit?

1,258 Rushcliffe households are missing out on Pension Credit worth over £2.5 million - are you one of them?

From June 2020, TV licences will no longer be free for people aged 75+ unless they are in receipt of Pension Credit. In view of the shocking statistics brought to light by Independent Age's #CreditWhereItsDue social media campaign, Age UK Nottingham & Nottinghamshire are looking to do whatever they can to make sure that local older people know about the income-based benefit and can claim it, if they want.

Independent Age's research shows that over 22,000 households in Nottinghamshire that are eligible are not claiming this benefit, this equates to over £2.5 million pounds going unclaimed by Nottinghamshire's older people. 1,258 of those households are in Rushcliffe, which means that many of your friends, family and neighbours are missing out.

Pension Credit can be worth between £40 and £65 per week (depending on circumstances), which can go a long way to helping people's quality of life. You can find out more, including details of the eligibility criteria, at www.gov.uk/pension-credit

If you aren't pension aged yet or don't qualify yourself, Age UK Notts would love you to get involved with spreading awareness in your local area by telling your friends and colleagues. Together we can make sure everyone gets the money (and free TV license) they are entitled to!

**Keyworth
Parish Council**

in association with

VE DAY

75TH ANNIVERSARY

A SHARED MOMENT OF CELEBRATION

SAVE A DATE IN YOUR DIARY

On **Friday 8th May**, you are invited to our **VE Day Celebration** 'indoor street party' held in the Village Hall, Keyworth from 11.30am with live music from the era, concluding with The Nations Toast at 3pm. The Keyworth & District Local History Society will have a VE Display in the Centenary Lounge. There will also be a Parish Church Service from 6pm, with bellringing planned for 7pm.

Friday 8th May has been designated a Bank Holiday so save the date in your diary to join us for 'a shared moment of celebration' to remember the enormous sacrifice, courage and determination of people from all walks of life who saw us through this dark period in our history.

Shelley Millband, Keyworth Parish Councillor

SOUTH NOTTS SHOTOKAN KARATE CLUB

Tokyo Times

During the 35 years since the club was first established in Keyworth several members have made the 'pilgrimage' to Japan to train at the home of Shotokan Karate. The most recent of these intrepid karate adventurers were Gareth Thomas and Ben Taylor who spent 10 days training at the headquarters of the Japan Karate Association to kick start the new

year! The honbu dojo or main training hall is located in central Tokyo which is one of the most populated cities in the world. Estimating its population is difficult because in the central part it varies by about 2 million between day and night, but the oft quoted figure is in the region of 12 million! It's the centre of government and commerce in Japan and despite having lost most of its historic buildings during wartime bombing or as a result of earthquakes, it is a very interesting place to visit and explore. And so it was that this dynamic duo found themselves at the epicentre of the karate world.

They trained with some of the most famous Japanese masters of the art including the chief instructor of the JKA Sensei Masaaki Ueki 10th dan and film star Sensei Tatsuya Naka 7th dan. The latter (pictured above centre with Gareth and Ben and the rest of the British contingent) has acquired almost legendary status as a result of his appearances on the big screen and his innovative approach to karate - incidentally he fought the club's grading examiner Sensei Frank Brennan 8th dan at the 1992 World Championship in Japan (if you're interested in the result check out Brennan v Naka on YouTube)!

One of the many highlights for Gareth and Ben included a sumo wrestling tournament (watching not competing) and being invited to the annual kagami biraki (mirror opening) ceremony which took place in the karate dojo following a vigorous training session. The ceremony heralds the beginning of the new karate year and dates back to the days of the Samurai. It included some outstanding demonstrations, speeches from dignitaries and as is traditional, the opening of a barrel of saki by way of light (and welcome) refreshment!

Both Gareth and Ben (pictured at the kagami biraki ceremony) are eager to visit Japan again and with the Olympics being hosted there this year that opportunity may arrive sooner than they thought!

Adults, young people and children (min 6yrs) who would like to learn karate in Keyworth may contact the club on 07811 819221.

Making Sense of Dementia - What carers need to know

This programme of special support sessions for carers of people with dementia will give an improved understanding of all aspects of dementia.

This 'free' seven week programme has experts guiding the group and also offers mutual support from other carers, refreshments and a chance to get your questions answered in a relaxed and informal setting.

Help with respite care is also available (subject to suitability).

Booking is required. For more information or to reserve a place please contact Radford Care Group on 0115 978 6133 or email info@radfordcaregroup.org
or

Bev Pearson on 07745 956 880 or email bev.pearson@radfordcaregroup.org.uk

Keyworth Kids

Inspire the Little Minds to Dream Big!

British Science Week takes place between 6-15 March. Let us have a visit to the Green's Windmill and Science Center in Nottingham. As a renewable energy source, Windmill's power was dependent upon the correct weather conditions. In 1807, when George Green was 14 years old, his father built this windmill. Since his childhood he had been passionate about the calculations of quantities of grain or sums of money for his family bakery business. He investigated the behavior of electricity and magnetism, light and sound, wave motion and other natural phenomena. As a great mathematician and physicist, he described his mill as follows: the sails have a radius of 12 yards and they revolve 25 times in a minute, or more than a mile at the extremities. This great velocity carries round the stones, which are 16 feet in circumference, 162 times in a minute and they grind a load of 10 sacks of wheat in 2 or 3 hours. The sails are placed at an angle in the shaft, and then in union are placed at an angle exactly in the wind's point, but the quantity of cloth is varied intensely as the force of the wind." (Denny Plowman, 2016)

Family STEAM FUN: Mini Pizza Baking

Tips advised by the experts from the Green's Windmill workshops team. We used the stone ground flour for a perfect taste. Thanks to the wind.

- 1) simple ingredients: a pinch of salt & sugar, 100g stoneground flour, 1 quarter pack of yeast, small amount of water
- 2) scrape the ball with the baking spoon in the process of mixing ingredients
- 3) sprinkle some flour on your hands and table to avoid being sticky
- 4) kneed, fold and punch the dough hard until you feel it like your earlobe
- 5) press a hole into the dough and check if the hole disappears gradually. Then it is ready.
- 6) use your hand knuckles to spread the dough evenly on the plate
- 7) use the back of the teaspoon to spread the tomato passata from the center of the pizza base before any toppings like ham, pineapple, cheese, mushroom, corn, onions, chicken etc.

KEYWORTH LIVES - GWYN WEBSTER

This month I met Gwyn who recently celebrated her 90th birthday. She moved from Bunny to Keyworth in 2002 following her retirement from social work, an area in which she worked for 36 years. Before moving into social work, one of Gwyn's early jobs was working in the lace market, back when it was an actual lace market. Of course, it's all apartments, trendy bars and quirky cafes now. But back then it was the manufacturing hub of Nottingham and employed thousands of people - 25,000 at its peak in fact.

Following her retirement, Gwyn was a founder member of Keyworth and District Ladies' Probus Club and served as its president for a number of years. Probus clubs are for retired people to come together, to meet new friends and expand their interests. The club is still thriving and meets on the second Monday of the month, from 10am-12 noon, currently in the Methodist Church Hall.

Gwyn also volunteers in the kitchen for toddler coffee every Wednesday morning, something she's been doing regularly for over 20 years. As you can see from the photo on her birthday, Gwyn's hard work is appreciated by all ages!
