Welcome to the April edition of the Keyworth News. Clearly these are worrying times for us all. Pandemics have happened before, but this will be the first experience of such an event in our living memory. The images of Italy being locked down with the streets and squares empty of people are very other worldly. However, we can make a difference and minimise the impact of the coronavirus. So please keep up to date on the latest government advice, take sensible precautions and, above all, don't panic!

Fancy giving a little time for local community groups?

Would you like to help out with the Keyworth Show?

The Keyworth Show committee are looking for new members or volunteers, if you have a little time to spare then please get in touch - we would love to hear from you. We are a friendly group who have meetings throughout the year to create a fantastic Show every July.

Please contact Shelley via email at..... s.millband@icloud.com Thank you

Would you like to help out with the Keyworth Friendship Club?

The Keyworth Community Bus brings some members to the Centenary Lounge on a Thursday afternoon to our session. At the moment there are more passengers than spaces and wonder if there are any willing volunteers who could help to transport members in their own car, from their home in Keyworth to the Centenary Lounge on a rota basis which would possibly work out at once a month? For further details please contact Helen on 937 2251.

DEFIBRILLATOR ADVICE

In the event that you need to use a defibrillator, please note the following:

Phone box in the square: take a mobile phone with you and dial 999 to receive the code to unlock the box. Remove the defibrillator and follow the voice instructions.

Village Hall: If the Village Hall is open, the defibrillator is located in the corridor. Remove the defibrillator and follow the voice instructions

N.B. ALWAYS CALL 999 FIRST

CORONAVIRUS ADVICE - From: <https://www.nhs.uk/conditions/coronavirus-covid-19/>

There are things you can do to help stop viruses like coronavirus spreading.

Do

- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately
- wash your hands with soap and water often - use hand sanitiser gel if soap and water are not available
- try to avoid close contact with people who are unwell

Don't

- do not touch your eyes, nose or mouth if your hands are not clean

NHS 111 has an online coronavirus service that can tell you if you need medical help and advise you what to do.

Do not go to a GP surgery, pharmacy or hospital. Call 111 if you need to speak to someone.

COOKERY

The cookery team have already been busy putting together the recipes for this year's show which is on Saturday 4th July. They will include a Pear and Ginger Cake, Chocolate Orange Brownies, Lemon and Sultana Drop Scones, Upside-Down Cherry Cake, and Fruit Scones. In addition to being published in the schedule, all the recipes will appear here in the Keyworth News in the months leading up to Show Day.

FLOWER ARRANGEMENTS

This year we are trying something a little different. The two classes will not have a theme. You can design whatever you like, so long as the arrangements are within the maximum size limits which are, for the Miniature Class 10 x 10 x 10cms max and for the Petite Class 25 x 25 x 25cms max.

CORRECTION

In last month's report an error was made regarding the new class, GARMENT FOR A PREMATURE BABY. The garments should only be a hat, bonnet, mittens or booties. They should only be knitted and of acrylic or cotton yarn.

We will keep you informed of news of other classes in the next few months.

THE VALERIE BURNETT SCHOOL OF DANCING

On 23rd February a small team of our dancers entered a competition held in Long Eaton. It was so busy with many events having more than forty entries. We were so proud of our team, each danced their socks off and all made at least one final. Two couples got 2nd places, another couple came 3rd and all came away with a trophy or two. Best of all we had so much fun! Many thank to Steph, one of my teachers, and our very supportive parents. CONGRATULATIONS EVERYONE!

I'm looking forward to the next one already!

All the best, Valerie

Could you be our next Leader?

We have some wonderful opportunities for you to get involved in Guiding at the moment!

We are currently on the hunt for leaders, assistant leaders, unit helpers and occasional helpers - roles can vary from running a weekly meeting with groups of girls through to the occasional monthly commitment. We have over 150 girls in our local area and want to continue to keep offering those girls and those on our waiting list the opportunity to be part of our worldwide community.

We currently are looking for help for our Rainbow (girls aged 5-7years) and Brownie units (girls aged 7-10 years).

To support several units in the District we are also actively looking for volunteers who can work with girls on a one to one basis to support them during their weekly meetings. Girlguiding is an inclusive organisation and we want to ensure that all girls receive the same great guiding experience.

This is a great opportunity to get involved in Guiding. Guiding is not just for the girls but for you too! Guiding offers so many opportunities with some of our leaders travelling the world to visit other units, taking their girls away on adventures and enabling you to bring your skills and experiences to the table. This also looks great on CV's!

Our guiders come from all backgrounds, have very varied careers and lifestyles and bring with them a wealth of care and determination to support young girls in their development and futures. You don't need to have an experience to do this but share a common commitment to always trying our best. All training is provided and you will never feel alone with excellent local and national support available.

If this is of any interest to you or you could help occasionally, please feel free to get in touch.

Contact us locally at keyworthguiding@gmail.com. Alternatively visit www.girlguiding.org.uk/interested or call 0800 1 69 59 01 or contact me directly on 07974 728 253.

Thanks Lorna - District Commissioner.

1st Keyworth Scouts

I've been talking to a few of the 1st Keyworth A-pack cubs and it seems that they have had the most fabulous weekend on their narrow boat adventure. It was touch and go if the trip would go ahead as the water levels around Nottingham had been so high.

Fortunately the rain had held off for a week and the water levels reduced. The locks were open and the trip was on. It was just as well since the weekend was filled with sunshine and warm weather.

All 16 cubs boarded two boats called Megan and Tinks from the Narrow Boat Project at Castle Wharf. Once everyone was all aboard they

excitedly chose bunks to sleep on and were exploring their designated boat. Then, within 10 minutes, they were off and Castle Lock was in view. They all got the chance to help open the lock gates, raise the paddles and bring the water level up. Many onlookers enjoyed watching the children work the locks and to see the unique sight of both 70ft long boats coming through.

The weekend was full of elation. Just being together included, picnicking on the tow path, mooring at Beeston Lock - the two boats side by side, going on a nature walk in Attenborough Nature Reserve, knot tying, man over board skills and learning how to measure the water depth with a lead line. This and more covered the nautical stage 3 badge.

In the evening they all boarded the same boat and enjoyed playing board and card games. Uno was the game of the weekend and was played whilst sailing along too. Also, the chef badge elements were covered as the cubs helped to prepare the evening meal and helped to wash up. Everyone had a go at washing up across the weekend, which was a new experience for some. On the Sunday, each cub made their own packed lunch, which made them all the tastier.

By 3pm on Sunday, the boats were moored back up at Castle Wharf and parents were very happy that their children had had lots of fun and the weekend would be one 'the cubs will never forget'.

RUSHCLIFFE COUNTRY PARK

As spring starts to show at Rushcliffe Country Park, the lake is full to bursting and the swans are looking for a nesting site - will they have a family for us all to enjoy this year?? Last year something went very wrong after they had sat on the eggs for a long time.

The Friends of Rushcliffe Country Park continue to provide tea, coffee and homemade cakes every first and third Sunday from 9.30am to 3pm.

The first and third Wednesday morning see the 'café' open for tea, coffee, biscuits and toasted tea cakes and in addition on the first Wednesday afternoon (April 1st to Sept 2nd) from 2 - 3.30pm cream scones are served!!

On June 6/7th we are hosting a bio blitz 24hours so look out for more details of this event.

The trees are maturing and wild flowers appearing; a new ladybird has flown in next to the frog and hungry caterpillar and is just waiting to be climbed on! The Friendship garden is blossoming so come and enjoy this local jewel!

An idea for local businesses?

Would you like more people to come through your door to shop?

There are quite a few businesses within the village that don't cater for everyone and I am thinking along the lines of people that have limited means of walking or are in a wheelchair. There are shops that have steps and I realise it can be hard to adapt some buildings but how about something like this? (see image).

These can be purchased online for around £55, can be kept out of the way or near the door if somebody wants to be able to go inside and shop. All you need to do is pop a notice in your window to say there is a ramp available - you never know it may boost profits with all the new customers that you can entice in - just a thought.

TOLLERTON, KEYWORTH AND DISTRICT CANCER RESEARCH UK

Tollerton, Keyworth and District Cancer Research UK, would like to thank all those who came to their Souper Saturday on 8th February, and helped to raise a total of £430.00, which helped the overall total raised over the last 36 years to a magnificent £500K.

The Cancer Research committee was first formed in 1984, and over the years there have been many committee members who have contributed to helping to achieve this magnificent amount for valuable research and clinical trials. We would like to thank them all for all their fundraising efforts in helping us to achieve this total, and also to the local funeral directors who have passed through the generous donations from bereaved families.

All these efforts have made this magnificent amount possible.

The current Cancer Research Committee have all served for many years and would like to retire, so from all of us, to all of you, who have supported us over the last 36 years, our sincere thanks for your support and your generosity.

Thank you to all

Fun Run Marathon Challenge

Mr Sanders has organised our very own children's marathon. Children have been encouraged to take part by completing 1 mile (3 laps of the field) at a time and ticking off each mile as they complete them. There is no time limit and, children are encouraged to take part and run it at their own pace. After 6 miles each child earns a sticker, after 13 miles a run fun band, and after completing the marathon they will receive a medal and certificate.

School Science week

Our Year 1 children have been studying "How does the weather in the UK change throughout the year?" Like proper scientists, they have kept a weather chart on the classroom and observed closely, to see how the weather changes from winter to spring. They also looked at Antarctica, one of the coldest areas of the world, and talked about how the animals stay warm, particularly baby penguins. To investigate this they used two hot water bottles as pretend baby penguins and measured their temperature. They insulated one with cotton wool penguins and a plastic bag and sat them both outside on ice blocks. We measured the temperature every hour and watched it drop for both penguins, noting that the one that was wrapped up dropped much slower.

Meanwhile, Year 5 have been studying "What are Hormones, and how do they affect our bodies?". They listed their everyday habits on a pie chart, and learned about a few specific hormones which drive our everyday functions. We learned about cortisol (which helps us to wake up), melatonin (which helps us to sleep), ghrelin (which makes us feel hungry, reminding us to eat) and leptin (which makes us feel full).

World Book Day

The children had great fun dressed as witches and wizards as Hogwarts was brought to life at Crossdale! The floating candles in the hall at dinner time were a particular highlight. Our Year 1 class had fun learning to draw a monster like our author of the week Tony Ross, and writing stories about how the witches and wizards could write spells to defeat them! We then visited the village library and Oona showed us how the books are organised and we all chose two books to take home. Then we found a story written by Tony Ross, and Oona finished off our visit by reading it to us.

Thank you to....

Popular Posada: Keyworth Parish Church wish to say a **BIG Thank You** to all the children and adults who took part in the Posada in the lead up to Christmas 2019. Many youngsters signed up to look after Mary, Joseph, the Donkey and Baby Jesus, at home, as they made their journey, through Advent, to the stable where Jesus was born. The Holy Family successfully made their journey to each youngsters' house and then were passed on to the next 'Host' family. On Christmas Eve many of the participants came to the Parish church, bringing their own 'woolly' sheep with them, to join in carols and refreshments. Well done everyone who took part, and to those who knitted the sheep. We had a large flock! Be ready to take part next December.

Keyworth Memory Cafe says a huge 'Thank you' to Val Wells and the 'Bingo at the Tavern' team for the recent generous donation of £200 to help towards the Memory Cafe. We do appreciate your support. Thank you to all who made this donation possible.

Diana and the Memory Cafe team.

Keyworth Primary & Nursery School

Tree Planting at Keyworth Primary

Just over a year on from the Pupil Parliament meeting where our school council learnt about a tree planting scheme, we have been able to plant lots of wonderful trees in our school grounds!

Nic and Janet from the County Council scheme helped all the children from Year 1-6 plant the trees in our grounds. Luckily the rain stayed away, but parts of the grass were quite wet! The children were very sensible and learnt a lot about tree planting. Our lovely foundation children came along to offer some moral support in the afternoon - the digging was quite hard work!

We have planted cherry trees, silver birch and a variety of smaller trees. They will provide shade on part of the field used by the children at break times during the better weather and the rest will provide the start of excellent outdoor learning opportunities for the children.

World Book Day With A Difference...

We love World Book Day at KPNS and this year we wanted to do things a bit differently. We had 7 different authors to visit around school and overnight, all the teachers transformed their classrooms into their favourite story settings: Hogwarts, Narnia, Nocturnia City and other exciting places! The children spent the day getting to know a range of different authors whilst they enjoyed taking part in lots of book related activities. It was such an amazing day with reading truly at the heart of it! Look in the gallery on our website for more photographs of our booktastic day!

Science Week at South Wolds!

Our children in Year 5 and 6 had the best day kicking off science week with a trip down to South Wolds Academy!

We discussed the theme of 'our diverse planet' and then completed lots of different activities, sampling what a real secondary school science lesson looks like! We got to find out about taste buds and whether we are super tasters or not by putting blue food colouring on our tongues! Only about a quarter of the population are super tasters, most are just classed as tasters. We also did some experiments to work out which gases were present and used the bunsen burners! Thank you, South Wolds, for a great visit!

To report dog fouling please contact Rushcliffe Borough Council on 0115 981 9911 and the Council will arrange with Streetwise for it to be removed. If the fouling problem persists a dog warden will be introduced to the area to catch the offending dog owner.

Keyworth and District Local History Society (K&DLHS)

www.keyworthhistory.org.uk www.facebook.com/KeyworthHistory/

Keyworth and District Local History Society aim to provide a friendly and welcoming environment to develop interest in history and heritage of Keyworth and neighbouring parishes. K&DLHS also publish books, pamphlets and maintains an archive of items relevant to the local area. It also participates in local history events in the wider context of Nottinghamshire and the East Midlands in addition to the monthly instructive and entertaining talks and presentations.

The monthly society meetings are held on the first Friday of the month (except in August) in the Keyworth Village Hall's Centenary Lounge at 7.30pm.

The next event - 3rd April will be Bob Massey with a talk titled "Luke Barton, framework knitter". The troubled times of a Nottinghamshire inventor who brought us modern socks and stockings. Location - Keyworth Village Hall's Centenary Lounge. New members are especially welcome.

100 Club

The latest draw was carried by the Indian Nights management team and customer James on Friday 28 February. The results are as follows:

First Prize (£100 Perkins Voucher)
Second Prize (£50 Indian Nights Voucher)
Third Prize (£25 cash)
Fourth Prize (£10 cash)

No 100 Mrs H J Wallis
No 38 Roger Hall
No 68 No Publicity requested
No 101 No Publicity requested

A big thank you to our prize givers and congratulations to the winners.

On the buses. Can you spare a few hours occasionally to help as a driver or escort on the Keyworth Community Buses?

Our Tuesday Club and Thursday afternoon Friendship Club runs have an escort to help board and seat passengers and on Thursday morning our escorts also help our passengers with their shopping. And we need additional drivers particularly for trips out of the village by member groups.

Training and support are provided for all our drivers and escorts. If you would like to join our team and support the local community, contact Eddie Pettipher at kdcc.minibus@gmail.com or ring 07881 836 221.

Day Centre

Are you feeling lonely? Do you know someone who is? Are you a carer, and would benefit from some respite?

There are Spaces available now in our Day Centre, a lunch club specifically for the elderly and less abled within our community. The Centre operates most Tuesday between 9.30am and 2.30pm offering:

- companionship
- a chat
- coffee, tea and biscuits
- and a hot lunch (delivered to us and charged at a cost of just over a fiver)

Volunteers run the Centre in the Centenary Lounge next to the village hall and we have DBS checked volunteers too. Transport to and from the lunch club in the Community Bus can be arranged. If any of this interests you contact Doreen on 0115 937 4429.

Lastly did you know that the KDCC used to deliver coal to elderly residents during the coal/winter crisis and then distributed some of the local stocks of the EEC butter mountain to residents in the 1980's?

KEYWORTH ANNUAL PARISH MEETING 2020

Keyworth residents are invited to the **Annual Parish Meeting** chaired by the Parish Council Chair, Tamsin Armour, in the **Centenary Lounge**, on **Monday, 20th April at 7.00pm.**

As usual, the meeting will be an opportunity to ask questions and get answers from Councillors.

AGENDA

1. Chairman's welcome
2. Apologies
3. Approval of the minutes of the 2019 Annual Parish Meeting
4. Chairman's report on Parish Council activities 2019/20
5. Short presentations from community groups
6. Questions from residents

N.B. To enable Councillors to give considered responses, it would be helpful if questions could be submitted in advance, by letter or email (marked 'Question for Parish Meeting'), to the Parish Council office prior to 5th April.

7. Close

Village Hall Car Park Barriers

The barriers come down automatically at 11:15pm every night, and automatically open at 5am.

Between these times, they raise automatically for cars to enter and leave the car park.

Please take care between the hours of 11:15pm and 5am, if attempting to leave the car park on foot under an open barrier, when the barrier has been activated by a car driving through it. The barriers have flashing lights and an alarm. Please take note of this and do not walk under the barriers when they have been activated.

Councillors: Tamsin Armour (Chair), Tony Wells (vice-chair). Tom Caven-Atack, David Clarke, Kevin Fitzgerald, Tony Grice, Chris Kemp, Kev Lowe, Kath Oakley, Dick Self, Shelley Millband, Chris Takel, Matthew Tuttey, Brian Watts.

Clerk to the Council: Emma Tillyard; **Finance Officer:** Neil Grocock; **Facilities Manager:** Steve Mottishaw; **Office staff:** Helen Bradshaw. See below for contact details.

Hopefully Spring is just around the corner and we can start looking forward to longer warmer days. This is when I get the urge to start baking cakes! Here are a couple of my favourites, both of which are quite easy to make.
Happy cooking - Barry

STICKY MARMALADE TEALOAF

140g orange marmalade
175g light muscovado sugar
225g self-raising flour
2 teaspoons ground ginger
100g pecan halves

175g butter, softened
3 eggs, beaten
½ teaspoon baking powder
1 teaspoon mixed spice

Preheat oven to 180C/Gas 4. Butter a 1kg/2lb loaf tin and line it with greaseproof paper. Set aside 1 tablespoon of the marmalade in a small pan. In a bowl, blend the remaining marmalade, butter, sugar, eggs, flour, baking powder and spices until smooth and light. Stir in about three quarters of the pecans. Tip into the prepared tin and smooth the top. Sprinkle with the reserved pecans. Bake for about 1-1½ hours until a skewer inserted comes out clean. Once cooked, carefully remove from the tin and cool slightly on a wire rack. Gently heat the reserved marmalade, stirring until it is smooth, and spread the glaze over the top of the warm loaf. Serve in slices.

ORANGE AND ALMOND CAKE

1 medium orange
175g light muscovado sugar
175g self-raising flour
50g ground almonds

175g butter, softened
3 eggs
½ teaspoon bicarbonate of soda
Icing sugar, for dredging

Preheat oven to 190C/Gas 5. Butter and line the base of a 23cm/9in round deep cake tin. Cut the whole orange (skin, pith, flesh, the lot) into pieces. Remove any pips, then whizz the orange pieces in a food processor to a finely chopped purée. Add the butter, sugar, eggs, flour, bicarbonate of soda and almonds into the processor and whizz for a further 10 seconds, or until smooth. Pour into the prepared tin and smooth the top. Bake for 25-30 minutes, until the cake is risen and brown. Allow to cool in the tin for 5 minutes before turning out on to a wire rack. Sieve the icing sugar on the top.

Easter and Chocolate seem to go together and it will be school holidays too, so here is a couple of recipes - one for the kids and one for the Mums & Dads, *so enjoy - Kath Oakley*

BANOFFI CREAMS - for the kids

75gr Milk Chocolate 4 tabs Milk
2 x 150ml small pots Low Fat Toffee Yoghurt
150ml Double Cream 2 small Ripe Bananas
Some small Chocolate Easter Eggs

Simply chop and melt the chocolate in a bowl, over hot water, stirring gently and when melted stir in the Yoghurt. Lightly whip the cream, slice the bananas and alternate in individual glasses. Finish with a layer of cream and top with small chocolate Easter Eggs - the kids will love making and eating this one.

CHCOLATE CREAM DIP - for the Mums and Dads

200gr Plain Chocolate 4 tabsp Double Cream
4 tabps Orange Liqueur
Dippers:- Sweet Biscuits, Strawberries, Wafer Biscs etc.

Simply melt the Chocolate with the Cream and the Liqueur and stir until smooth. Pour into ramekin dishes, place on a plate and surround with 'dippers' - easy and enjoy.

HOME VISITS CAN BE ARRANGED

RESOURCEFUL LIVING FROM KEYVOLUTION & KEYWORTH ABUNDANCE

Spring has sprung, & as the buds on the trees start to burst & the blossom appears, Keyvolution also has a spring in its step as we've now got builders helping us to start Phase 2 of Project Exchanging Rooms. It's all very exciting! Watch this space for updates!

Of course, this is also the time of year when we start to worry about the effects of weather on the fruit blossom. That's very important for us because frosts or strong winds at the wrong time can make a big difference to the size of fruit crops. It can mean the difference between an apple store full to bursting & just a meagre number of apple boxes. It's a little nerve wracking as I type this in March after the extreme wet & windy weather we've been having. It was clearly warmer than it felt given how far on the trees are, but experience suggests we could dip back into cold again... I'm remembering "the mini beast from the East" 2 years ago, barrelling in, in late March, after we thought the main "beast" had gone, with blizzards after that freezing February. It even snowed off our fruit-tree pruning workshop. If something like that happens this year, it will hit trees already well into Spring mode. We'll keep our fingers crossed.

And of course weather hit us last year, in a big way, when the Garage Sale Safari got caught by heavy rain. On the day, we canvased a selection of stall holders who told us to go ahead, so we've got lots of photos of the good folk of Keyworth just getting on with it despite the wet. Most who managed to run a stall did ok according to our follow up questionnaire. As this year is the 10th event, we've got many years of experience, so we had a look back at the weather we've had over the years. We can report that last year was the first really wet event. Previous to that we only had a few short drippy periods in mostly dry conditions. That hopefully bodes well for this year, but we're aiming to buddy stall-holders with undercover room with those without, if we can. It's all on the registration forms that you can pick up from the Library, Keyworth Post Office or Keyworth Pharmacy. If you prefer, contact us via garagesalesafari@gmail.com to be sent an electronic version. If you register before 11th May, you get the early-bird rate of £6.

So - let's look forward to better weather, a great Garage Sale Safari, & the completion of the renovation for Project Exchanging Rooms which the Safari has done so much to fund.

KEYWORTH CHOIR

The choir has been in full flow this term, preparing for our Easter concert in April*. We are working on a wonderful choral piece from the 19th Century - Rossini's 'Petite Messe Solennelle' - and are relishing singing this hugely tuneful and dramatic work. Rossini, well known for his many successful operas, had composed his last work for the stage 34 years beforehand, but was tempted out of his long retirement to write this 'small, solemn mass', an ironic title if there was ever one, because it is far from small and not exactly solemn, being packed with his trademark melodic charm and having all the drama, colour and intensity of one of his operas. The choir will be joined by our usual 4 excellent soloists, Sarah Carlin (soprano), Rosie Braddy (contralto), Drew Dennis (tenor) and Stephen Godward (bass). Getting to know this work 'inside out' has been enormous fun and we hope the audience will enjoy listening to it as much as we have enjoyed singing it!

However, Keyworth Choir is certainly not just about singing serious (or not so serious), sacred works! In the summer, we always give a concert of much lighter music - from the world of musicals (e.g. 'Les Misérables'), pop classics (e.g. Abba), operetta, Gilbert and Sullivan, jazz, folk, cabaret, and film music, to mention just a few genres. In December, of course, we also sing all those beautiful Christmas pieces in our hugely popular Carol Concert. And the best thing about the choir? There are NO AUDITIONS, which means that if you fancy a sing on a Monday evening, you just come along and join in. Of course, like any musical group, we have a yearly subscription, but if you are new and not sure, you can pay by term in your first year, so you can see how it 'pans out' without any pressure! In fact, why not come along to our first rehearsal for the summer programme on April 6th at 7.30pm in Keyworth Methodist Church for a taster of what it's like singing with a super-friendly bunch of singers. You'll wonder why you didn't try us out sooner!

* on Saturday 4th April in the Methodist Church - please see details elsewhere in this magazine and look out for posters around the village! *Colin Russell*

KEYWORTH TENNIS CLUB

Stanners scoops prestigious county award - The Nottinghamshire County LTA Awards took place on 7th March at Nottingham High School. Members of clubs from across the county were present to receive a variety of awards and recognition at county, national and international level. John Stansfield, Chairman of Keyworth TC won the honour of 'Volunteer of the Year' for Nottinghamshire. Nominated by Amanda Gunther, John was recognised for his dedication to the club, particularly the many hours he has given to maintain and improve the grounds of the club. Keyworth ladies were also named, having won the county division of the National Club league in 2019.

Farnsfield agony - Keyworth ladies lost to Farnsfield (55-53) in early March. This was a frustrating result for Keyworth ladies against a very strong team. Keyworth ladies are currently standing in 2nd place in the division made up of 7 teams.

Other match news - Winter league outdoor matches are made up of 3 pairs per team, all pairs playing 3 rubbers of 12 games. The indoor league matches are made up of a ladies and mens doubles followed by 2 mixed matches, all rounds being 16 games. Winter matches continue through to the end of April.

22nd Feb - Keyworth Ladies beat David Lloyd Aspley (Div 3) 63-45.

23rd Feb - Keyworth Mens team lost to Farnsfield (Div 7) 63-45.

29th Feb - the mixed doubles A team - the match was abandoned without playing due to Magdala's courts being waterlogged.

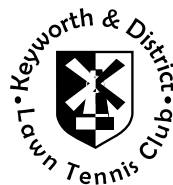

1st March - Keyworth Indoor 1st beat Caunton (Div 4) 34-22. Keyworth are currently top of the division with one match remaining.

Social tennis - Social evenings on Tuesday and Fridays are in action, new members very welcome. Come along from 7pm.

Coaching - Tom, Level 3 LTA Coach, is always keen to help those new to the game and can even also host a tennis party. Get in touch if you are interested in junior or adult coaching groups or individual lessons: 07756 017775 keyworthtennisclub@outlook.com

Keyworth Village Quiz - The Tennis Club team finished round 1 as joint second-highest losers, giving them a play-off opportunity against U3A Too to be included in round 2. They won this by 3 points in a thrilling bell 'n' buzzer shoot-out, but then went down to The Taverners half an hour later.

Interested in joining the club? - Find out more details on our website: <https://clubspark.lta.org.uk/KeyworthDistrictLawnTennisClub>

ROYAL AIR FORCES ASSOCIATION

The charity that supports the RAF family

The monthly meeting was held on Thursday, 12th March in the Stanton-on-the-Wolds Golf Club. The meeting opened with the RAFA Dedication and the 'We will remember them' tribute. John Stansfield remembered Keith Handscombe, a fellow pilot on XV Squadron who was involved in a mid air collision whilst flying a Mk 2 Victor Tanker. Badly injured he regained consciousness in his parachute during his decent and was rescued by RAF helicopter from the North Sea. Keith fully recovered from his injuries and died many years later from natural causes.

As it was planned to hold the Annual General Meeting this month, the talk was deferred to next month. The Branch Chairman, Andrew Kelleher, reviewed in detail, the previous year with summaries of all the branches activities. The election of officers followed, the results are;

Chairman - John Stansfield **Secretary** - Megan Kelleher

Treasurer - Andrew Kelleher **Membership** - Andrew Kelleher

Welfare Officer -Steve Gardener **Standard Bearer** - Larry Parker

The members then had a briefing from an RAFA Official, Geoff Burton, covering the results of recent changes in branch administration instigated by Head Office.

After a break, normal branch items were then discussed including future outings. The Trent Cruise on 31st March was cancelled and a visit to the Newark Air Museum in May was confirmed

The next meeting will take place on Thursday, 9th April starting at 7:15pm.If you have a connection with the RAF or the other services or are just interested in the talk then come along to the Golf Club where you will be made welcome.

WANT TO GET MOVING?

If you've got mobility issues, you may think that now is the time to buy a scooter so you can enjoy more freedom and independence. The right mobility scooter can make a huge difference to your quality of life.

You might be tempted to start your search for the right product online and there are some great bargains to be had. However, is it the right scooter for you? It is not simply a case of one size fits all and these can be expensive investments, so it is important to consider the purchase carefully to make sure your getting the right solution.

Here are top six questions consider before buying a scooter:

- **What do you want to use it for?** Just indoors or in your garden, going shopping locally or further afield? Consider the full range of activities you'll use your scooter for and make sure it's suitable.
- **Will your health conditions affect your choice?** Think about frailty, flexibility, eyesight, back problems, and anything else that might impact on how you use your scooter. Additionally, certain scooters are suitable for people of different sizes and weights, so make sure to check the specifications.
- **What is the physical environment around you like?** Are there stairs, uneven paths, gravel, different flooring surfaces, do you need it to fit in a car etc.
- **What aftercare and servicing options are available to you?** What kind of warranty comes with your scooter, can it be serviced locally, is it easy to access help online or by telephone in case you need any extra help?
- **How does it handle?** It's also important to have a test drive - can you handle the scooter, do you feel comfortable in it, can you park it?
- **Can you store it safely?** Inside or outside, can you store it properly and charge the battery easily?

There are so many important considerations to think about when spending money on your wellbeing, so please make sure you're getting the best advice and the best solution. Don't part with your hard-earned cash before consulting with the experts and making sure you have made an informed selection. It's also a good idea to check out the rules about cooling off periods and rights to cancel goods ordered online BEFORE you place your order. There are many websites available – here's one you might like to look at:

KEYWORTH CAMERA CLUB

The meeting on April 2nd is a practical evening involving table-top photography. The subjects on this occasion though are somewhat unusual - live exotic insects. They are provided by Marlies Chell who breeds them and will bring them along and set up several photographic areas around the room so members can take their own photographs. It's an opportunity to learn new skills or refine existing ones, particularly in the areas of lighting, working with a tripod, using a macro lens, and differential focusing.

On the 16th of April we have the home leg of a 'battle' with Lincoln Camera Club. In last year's fixture we just came out on top so we are hoping to repeat this result again. The judge will be Dave Hollingsworth.

We have another visiting speaker on the 23rd whose speciality is creating images of children. Sarah Wilkes is co-founder of the Newborn Photography Show and she has won numerous awards. She will be showing examples of her work and then she will set up and demonstrate the lighting techniques she uses. This promises to be both entertaining and informative and visitors will be most welcome. The venue is the Parochial Church Hall on the corner of Selby Lane and Elm Avenue at 7.45pm.

Details of all the Club's activities can be found elsewhere in this issue or by visiting our website at www.keyworthcameraclub.org.uk

KEYWORTH BOWLS CLUB

At Keyworth Bowls Club at the end of Elm Avenue we are preparing for the new season that starts in late April. We will have a pre season meeting on Friday 3rd April at 6pm when we gather to pay our membership fees and enter our club competitions. We will also welcome any potential new members, if you are interested in playing bowls and would like to find out about our club just come along and we will be happy to provide you with any information about our club and bowling you require. We run an umbrella on a Monday morning that is open to anyone who would like to try bowls as a pastime. Most people who take it up cannot get enough of playing. We play at all levels, umbrellas are just casual games, friendlies against other clubs mid-week and Saturdays throughout the summer, then there are league matches against other clubs, ladies', men's and mixed. These are more competitive but still played in a friendly manner. We also have internal competitions with finals played on 2 Sundays in August and September.

We are always looking to increase our membership all ages are welcome especially younger people. Bowls tends to have an image that it is an older persons game but I assure you it is not, it is just that it is very addictive and members do not leave they just get older, they want to keep bowling and the oldest players are often some of the best and are hard to beat. However when they can no longer bowl well they stay as Social Members.

We therefore need to get and encourage new members to fill our teams. To this end we will be having an open day on the 2nd Sunday in May everyone is welcome. We now have 4 'level 1 Coaches' that are being DBS checked so as to be able to also offer coaching to children and vulnerable adults.

If you would like to have a go we will be happy to give you some free taster sessions to see how you find it before joining the club. Membership at present is £95 there is a one time joining fee of £12, you can come up and bowl from 9.30am until dusk every day apart from Wednesday when the green opens at 2pm. You will have your own key to come and go as you please. Once people join they rarely leave as they get hooked.

So don't delay if you think it's for you get in early and enjoy a summer of bowls if it ever stops raining. You can also contact me Richard or my wife Sue, on 0115 998 3533 for any more information, we are both coaches and will be happy to guide you.

SOUTH NOTTS SHOTOKAN KARATE CLUB

2020 Black Belt Success

The KUGB's first black and brown belt course of 2020 was held recently in Chesterfield and two club members were promoted to 1st dan black belt. Ethan Moulton and William Ponsonby have both been training at the club for many years with the singular goal of one day achieving this level. Of course one of the most important character traits that genuine karate practice aspires to imbue in its participants is perseverance and Ethan and William both personify it.

They are pictured with other club members after a recent session proudly wearing their well earned black belts!

Central Region Championship 2020

The club's competition squad was in action at the 2020 KUGB Central Region Championships in early March. Nine adults and nineteen youngsters gave their all on the mats proudly representing the club and delivering some excellent performances. The young braves excelled themselves particularly well in the junior events with Jasper Hayes, Daniel Michalik, Ben Baumber and Tabitha Fox-Jalland all making the winners' rostrum taking bronze in the kumite (sparring) in their respective categories. Alex Appleby (right of picture) also secured a well deserved bronze medal in the ladies coloured belt kata however the club's senior black belts were unfortunately nudged out of contention during the elimination rounds. Nonetheless there were some very exciting 'knife edge' encounters which, whilst disappointing, added a certain je ne sais quoi to the excitement of the day!

Despite being in 'pole position' in the contest for the two overall best club shields at the conclusion of the elimination rounds, our lack of silver and gold medallists this year meant we were pipped to the post by Solihull Karate Academy. As in previous years it was a great day for the club where ambitions were achieved, valuable experiences had and memories made.

Adults, young people and children (min age 6yrs) who would like to learn karate in Keyworth may contact the club secretary on 07811 819221.

KEYWORTH MEMORY CAFÉ

When we first visited the Memory Café I thought that The Welcoming Café would have been more apt. The moment we went through the door of the Parochial Church Hall we were greeted with smiles and asked "Do you prefer tea or coffee and there are cakes on the table". We were soon seated with everyone and chatting as we saw familiar faces. No one asked why we were there they just included us and we found ourselves taking part in a photo quiz, which got the grey cells going and was great fun. We now go regularly, because it is fun, friendly and we make new friends.

The café pops up on the third Wednesday of the month, at the Parochial Church Hall on the corner of Elm Avenue and Bunny Lane, from 10am to 12 noon, and is free. That is because it was the Parish Church who recognised the considerable number of local people being affected by the problems of increasing memory loss and felt that they should do something to help. Volunteers from the church now run the café and ensure that their guests are well looked after.

The problems caused by memory loss aren't confined to any age group and affect not just the person who cannot remember all the things they used to easily bring to mind. That is why there is no restriction on who calls in for a cuppa and who they bring with them. All are welcome to join in the fun and friendship and will frequently pick up information and tips from those who are in the same boat and discover things which have helped them make life easier.

MARCUS COMPTON

KEYWORTH and DISTRICT U3A NEWS

We are now well into our 2020 year's activities. Our first Monthly Meeting was on the topic of the very rudimentary and often grossly misunderstood state of medical knowledge at the time of the Eyam etc plague - perhaps an unexpectedly prescient choice of subject in the light of subsequent events in our present time! At our second meeting we learned about the Nottinghamshire County Show - its history and its present activity taking place in May at its Newark Show-ground - together with a fascinating review of past agricultural life and some thought provoking glimpses into possible future directions for our agriculture. Our forty five or so Interest Groups are also now well into their wide range of interests, with the U3A ethos of all our activities being run by ourselves.

We are now looking forward towards our AGM, when the next committee will be elected in April to continue to nurture our U3A into the rest of the year. As indicated in previous news items, here at Keyworth & District, we are one of some 1000 local U3As within the UK. This is being celebrated nationally during the first week in June, with a UK-wide 'U3A Day' during that week. Here at Keyworth we will be putting on an open event in the Village Hall on the Saturday morning of 6th June to which all are invited to see the range of our U3A activities. Along with that special occasion, there is as always an invitation to other third-agers to come along to one of our regular fourth Tuesday afternoon monthly meetings (at the Methodist Church, Selby Lane) to see if this might also be for you.

Robin Wilcockson.

Chairman, Keyworth and District U3A.

THE SOUTH WOLDS ACADEMY & SIXTH FORM
Church Drive, Keyworth, Nottingham NG12 5FF
Head Teacher: Halina Angus

South Wolds is a high attaining, semi-rural, popular school located in the village of Keyworth in Nottinghamshire which is a 10 minute drive from West Bridgford. We are also a founding partner of the East Midlands Education Trust, committed to providing a first class education for all of our students.

Relief Handy Person - Scale 2 £9.55 - £9.74 per hour

An immediate vacancy exists for a relief handyperson to assist the Site Manager in the maintenance, operation and security of the school site. The successful applicant will be required to work on a morning/afternoon shift pattern which changes weekly.

South Wolds is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

If you would like further details please e-mail vacancies@southwolds.notts.sch.uk or visit our website www.emet.academy/vacancies to download an application pack.

Keyworth & District Probus Club is Seeking New Members

Probus Clubs are clubs for retired or semi-retired people from all walks of life. The object of all Probus Clubs is to promote fellowship amongst members by holding regular meetings and some social functions.

We are a men-only Probus club and meet fortnightly on Tuesdays at the Cottage Hotel in Ruddington, from around 11.30am. A meeting consists of a talk by an invited speaker, followed by lunch.

There are opportunities to participate in occasional golf and bowling matches, as well as a Spring Lunch and Christmas Lunch to which partners are invited. Visits are arranged to local places of interest.

We are seeking new members. Why not give our Secretary a call on 9372766 or visit our website at keyworthprobus.org.uk

Fun Rabbit Facts

Sshhh, the pair of happy male and female rabbits from Notcutts Wheatcroft Garden Center are having some rest with the ears lying down and legs tucked under their body. Rabbits are herbivores. They eat their droppings/faeces that are nutrient-rich.

Based on the approximate seven-year life span of a rabbit, one female and her offspring could lead to nearly 185 billion rabbits in 7 years.

Their incredibly high productivity explains why the Easter Bunny is associated with eggs that signify fertility in Spring when plants bloom and animals give birth.

KEYWORTH LIVES - Rushcliffe Play Forum Volunteer Team

Rushcliffe Play Forum provides a service for the local and wider community. On payment of a very reasonable annual fee their members can attend the Play Forum to collect resources to be creative with. Their membership includes Nurseries, uniformed groups, church groups, schools, care homes, families and individuals. They occasionally support community events by providing and supervising craft activities, utilising our scrap resources.

They also have art and craft resources available at competitive prices as well as a variety of pre-cut shapes, which are a very popular item. A selection of hire equipment is also available to the members. They are happy for anyone to come in, have a look around and see what they offer, with no obligation.

How did the scrapstore in Keyworth begin?

The Rushcliffe Play Forum started 33 years ago and moved to Keyworth in 2006, from its original base in Wilford.

How do volunteers get involved? Do you need any special skills or experience?

As we are a totally volunteer run organisation we depend on volunteers offering their time to us. They are either introduced to us, hear about us or were involved in organisations that were members and appreciate our value in the community. The main skill required is enthusiasm and flexibility, along with a belief in recycling. Each volunteer brings their own experience and collectively we share the workload that running a scrapstore creates. In return we offer free tea and coffee and friendship.

Have you seen many of the end results from your scrap that goes into creative projects? Are there any particular artworks that stick in your memory

When we support local events we immediately see the results. For many years we attended and provided activities at the annual play event, 'Lark in the Park' and there are memories too numerous to list from those occasions.

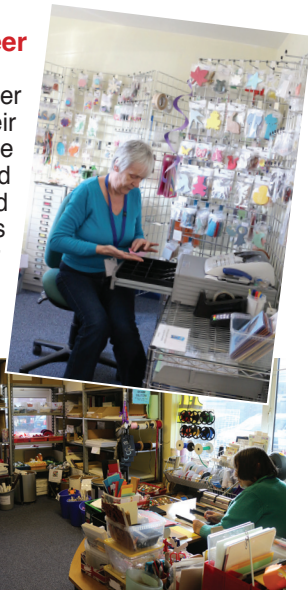

With the advent of social media and via our facebook page we actively encourage members to send us photographs of their crafts. We then share them to inspire other members.

Where does the scrap come from and how do you go about letting people know that some rubbish isn't actually rubbish at all?

Scrap is donated by local businesses and individuals. We are particularly fortunate to have a regular supply of ribbon. We also swap our surplus scrap with other scrapstores around the country. This provides a wider variety of resources. We also display potential ideas to use the scrap and provide ideas sheets to show that "one man's rubbish is another man's treasure"

What is the biggest challenge in running an organisation that is based on volunteers and goodwill?

Recruiting enough volunteers is the main challenge. We need a minimum of two every time we open and with all the resources we have to sort extra hands are welcome. We ideally need a number of volunteers to cover for absences and to ensure that no individual volunteer has an excessive commitment. We are open Tuesdays 12-5 and Thursdays 10-4 and invite anyone who may be interested in volunteering, even if only for a few hours, to drop in to the Bungalow, Keyworth Primary School, Nottingham Road, call us on 937 4589 or email rushcliffe.playforum@bopenworld.com.
